Heating Piping & Air Conditioning

INDEX FOR 1958
Vol. 30, Nos. 1-12

. . . for Consulting Engineers • Mechanical (Heating, Piping, and Air Conditioning) Contractors • Engineers with Plants and Big Buildings

"Most Informative, Most Authoritative, Most Quoted"

HEATING, PIPING & AIR CONDITIONING regularly runs more pages of editorial material on the subjects of heating, piping, and air conditioning in industrial, commercial, institutional, and public buildings than any other publication. During 1958, for example, there were 816 such editorial pages — in addition to many, many editorial pages of news, equipment developments, a complete Directory Section, etc. . . . . By actual count, articles in HPAC are "most quoted" in the leading text-books and hand-books in the field. . . . HPAC's articles are written by authorities actively engaged in the field served.

For convenient use, the articles indexed have been classified and subclassified under the major headings and under subheadings. They have also been classified as general, fundamental, and by types of plants and buildings. There is also an index by authors.

ABC

ABP

[Heating, Piping & Air Conditioning is indexed regularly by Engineering Index, Inc., and Industrial Arts Index, and is micro-filmed by University Microfilms.]

Heating, Piping & Air Conditioning is published monthly by Keeney Publishing Co., 6 N. Michigan Ave., Chicago 2, Ill.

Heating, Piping & Air Conditioning

Published monthly by the Keeney Publishing Company, 6 N. Michigan Ave., Chicago 2, Ill.

January-December 1958—Volume 30, Nos. 1-12

This index does not include Equipment Developments; Recent Trade Literature; Meetings & Conventions; Who's What—departments appearing regularly in each issue. The Editors' Pages in each issue include items of news, comments on current events, etc. In the January issue a complete directory section was published covering heating, piping and air conditioning equipment for industry and large buildings. The index to the Journal Section of the American Society of Heating and Air-Conditioning Engineers is on page xxiv.

SUBJECT INDEX

AIR CONDITIONING

General

ASRE Adopts Standards, Elects New Officers at Annual Meeting ...August 73
Addresses of Engineering Societies, Associations ...June 135
Ads to Inform Prospects of Air Conditioning Costs ...August 74
Air Conditioning, by Cloud Wampler ...February 64
Air Conditioning Cools Nautilus at North Pole ...May 141
Air Conditioning Industry To Hold Sales Level ...February 64
Air Conditioning Keeps Radar Stations Cool ...May 146
Air Conditioning Is Tool In Electronics Growth ...August 74
Bid Shopping Bill Dangerous to Both Contractors, Union ...July 74
Big Air Conditioning Up 15 Percent in 1957 over 1956 ...April 81
Big Boom Is on the Way—Need Engineer-Executives to Fill Top Level Jobs ...December 110
Building Contract Trend Indicates Rosy Future ...November 83
Building Outlay Reflects Year-End Seasonal Decline ...January 137
Building Picture Brightens; Contracts Up 4 Percent Over April Last Year ...July 55
Buyer Must Fix Blame for Defects, by William Hurd Hillyer ...April 130
Central Air Conditioning Shows Gain in New York City ...June 86
Compressor Shipments Off But Larger Units Gain ...May 104
Construction Contracts Continue Upswing ...October 57
Construction Contracts for 1957 Increase 2 Percent Over Year Earlier Total ...March 92
Construction Contracts Off 12 Percent in March ...June 86
Construction Cost Index 2nd Quarter Up 6 Points ...September 93
Construction Cost Index Shows 2 Point Increase in Fourth Quarter, 1957 ...March 92
Construction Industry Bolsters National Economy ...October 57
Construction Outlay Up "As Usual" in March ...May 103
Construction Outlay Up 3 Percent in January, 1958 ...March 91
Construction Spending Maintains Record Level in January, February ...April 81
Consulting Engineer's Day a Busy One, by Samuel R. Lewis ...August 97
Contractor Reports Plan to Install HPAC Systems on Lease Basis ...November 119
Contractor's Bookkeeping Shortcut Proves Expensive Proposition, by William Hurd Hillyer ...February 104
Do You Know Enough About Contracts? by Earl W. Mounce and Robley D. Stevens ...January 170
Employees Turnover Down in Air Conditioned Plants ...March 91
Engineers' Council Adopts New Statement of Ethics ...June 85
Engineers Probe Management Problems, Iron Out Matters of Common Interest at University of Wisconsin Seminar, by Harry J. Scharres ...September 148
Establish Color Code for Instrument Tubing ...April 82
Exhaust Lines Relieve Tower, by C. T. Baker ...July 98
Fan, Compressor Motors Use Same Capacitor to Improve Power Factor ...January 138
5th Apprentice Contest Set for August 10-15 at Purdue University ...June 86
Find Solution; But Who Pays? by C. T. Baker ...July 98
Future Building Contracts Show 10 Percent Decrease for February ...May 103
Future Construction Contracts Show Decline ...April 81
Garden of Eden Climate Cited as Man's Ideal at Climate Design Conference ...February 63
Gas Industry Sales Ahead of Slack Industrial Pace ...September 94
Gas Sales to Industries Show 4.1 Percent Gain ...October 58
Gas Sales, Revenues Reach Record Highs During 1957 ...May 104
Gas Utility, Pipe Line Sales Show Annual Gain ...November 84
HPAC Editorial Board, Lester S. Ries Joins ...March 91
Here Are More Ways to Build Reliable, Efficient Library, by H. B. Wayne ...December 84
Hospital Air Conditioning Grows to Highest Level ...March 138
Industrial Gas Sales Decreases 4.6 Percent Under Last March ...July 56
Jets' Conditioners Made in Air Conditioned "Lab" to Meet Precision Requirements ...June 129
June Building Contracts Continue May's Surge ...September 93
Know Your Arbitration Clause, by William Hurd Hillyer ...March 142
Lack of Air Conditioning Is Expensive Commodity ...January 137
Launch Certification for Unitary Conditioners Under ARI-NWAHACA Co-op ...December 78
MCAA Study Committee Lays Merger Groundwork ...September 94
MCAA, NAPC Study Merger ...June 85
Maintenance Contract Stressed as Sales Tool at RACCA Convention ...January 137
Market Survey Predicts Air Conditioning Growth — 20 Percent Increase in '58 ...June 85
May Building Contracts Break All-Time Record Highest Ever for Single Month ...August 73
Mechanical (HPAC) Contractors Defer Action on Merger ...July 72
National Library Week in March ...March 92
NEMA Gives IRS Position on Proposed Rule Changes Affecting Room Air Conditioners ...November 83
New York City Cooled Office Space Passing 50 Per cent Mark . . . Contractor's Survey Shows ...December 78
1957 Construction Hit Record $47.2 Billion ...February 63
1958: Will It Be a Good Year? ...January 156
1959 Construction To Set New Record ...December 77
Offers Tips on Reducing Cost of Air Conditioning ...July 55
Poor Maintenance by Owners: The Bane of Our Reputations ...December 102
Research Reveals Rust Rates in U. S. Cities . . . Highest in Industrial Centers ...October 85

Revised Curricula Needed for Balanced Education ..... June 86
See 5 Percent Increase in Dollar Outlay to $49.6 Billion Construction Total in 1958 ..... January 157
See Increase in Factory Comfort Cooling in '58 Reflecting '57 Sales Trend ..... April 82
Simplification Answer to 'Why Johnny Hates Math' ..... January 138
'Spot' Cooling Boosts Morale, Worker Output in Hot Industries ..... July 56
Subcontractor Stung : Valid Contract, by William Hurd Hillyer .... November 129
Suggests Two Sets of Standards Be Adopted for Spec Writing, September 1957—discussion on by LeRoy E. Petersen ..... February 67
Twin Units Heat, Cool Planetarium at Butler University ..... June 127
Utility Peak Load Reverses to Summer for First Time ..... April 81
Underbidding Bears Bitter Fruit, by William Hurd Hillyer ..... August 126
Unseen Apparatus Marks Air Conditioning Trend for New Office Buildings ..... July 55
Unusual Ductwork, Piping Follow Round Contour of Control Tower .. November 128
Urges High Tariff On Copper Imports to Preserve Economy ..... May 104
What's Best Way to Set Up Technical Reference Library?—Depends More on Individual Needs Than on Any Standard Technique, by D. C. McCoy ..... August 84
What's Best Way to Set Up Technical Reference Library?—Time Tested Technical Filing System Serves Busy, "Lazy" Engineer, by R. Ahern ..... August 82
What's Best Way to Set Up Technical Reference Library?—Write to Special Libraries Association for Free Library Consulting Service, by Florence H. Armstrong ..... August 84
What's Best Way to Set Up Technical Reference Library? August, 1958—discussion on by Eugene B. Jackson ..... October 64
When Delegating Jobs, Choose Right Employees ..... November 84
World's Fair 'Real Cool' for Tourists, Displays ..... September 94

Fundamental

Big Building Air Conditioning Demands Modern Control for Varied Temperature, Humidity Needs, by John E. Haines ..... May 147
Competition + Instructor Training = Skilled Pipe Fitters for HPAC Industry ..... October 73
Determining Cost of Air Conditioning, by Harry L. Baker, Jr. ..... January 187
4 Steps to Air Conditioning Design, by F. W. Hutchinson ..... January 176
4 Steps to Air Conditioning, by F. W. Hutchinson ..... February 92
Freezing in Towers, Condensers Poses Serious Problem during Winter Operation ..... February 98
Here's Short Cut To Pipe Line Erection Estimating, by James H. Shaw ..... June 101
How to Cut Cooling Costs, by Willie Hammer ..... July 109
How to Cut Cooling Cost, by Willie Hammer, July 1958 — discussion on by Ralph S. Segall ....September 103
How Many Manhours Required for HPAC Installation Work? — Personnel, Work Area, Accessibility Govern Installation Manhour Output, by H. B. Wayne ..... March 100
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... August 103
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... October 90
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... November 116
In Plant Operation Maintenance Is Key to Big Savings Through Cooperation, Planning ..... April 120
In Plant Operation Maintenance Is Key to Big Savings Through Cooperation, Planning ..... May 144
Lack of Bond Costly to Contractor, by William Hurd Hillyer ..... May 154
NDHA Hears How . . . Absorption System Cools 27-year-old Building; University Expansion Has Upped Consumption; Meter Bearing Failures Can Be Prevented; Underground Corrosion is Controlled, by John F. Collins, Jr. ..... October 94
NDHA Hears How—Leaks in Condensate Lines Can Be Detected; Rented Controls Improve Operation; Maintenance Costs Can Be Cut; Use of Steam for Air Conditioning is Increasing; Sales Can Be Boosted through Cost Comparisons, by John F. Collins, Jr. ..... September 121
Sizing Ducts by Equal Friction Method, by Vincent J. Turecamo ..... January 179
Underground Test Chamber Provides Heat Transfer Data for Establishing Design Criteria ..... March 121
Ways to Cut Installation Costs of Heating, Air Conditioning Equipment, by Samuel R. Lewis ..... March 127
What to Consider When Selecting a Centrifugal Refrigeration Compressor, by Harry Griese, Jr. ..... January 192
What Vapor Transmission Rules Apply When Planning for Dehumidification ..... January 144
What Vapor Transmission Rules Apply When Planning for Dehumidification? in January and February 1958 issues — discussion on by Walter E. Ellis ..... April 82
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Derive Vapor Transmission Rates for Steady-, Unsteady-State Condition, by H. B. Wayne ..... February 70
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Extend Principles for Small Openings to Compute Larger's Transfer Rate, by E. R. Queer ..... January 144
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Vapor Pressure Change Negligible If Door Is Not Open Too Long, by Stuart Giles ..... February 70
What to Watch For When Insulating Air Conditioning Systems, by Charles F. Gilbo ..... August 110
What to Watch For When Insulating Air Conditioning Systems, by Charles F. Gilbo, August 1958 — discussion on by James H. Shaw ..... September 102
What to Watch For When Insulating Air Conditioning Systems, by Charles R. Gilbo, August, 1958—Author Replies to Comments by James H. Shaw, September, 1958 ..... December 84

Cleaning, Dust Collection

Air Pollution Data Provided by Gas Tagging Technique which Exposes Guilty Plant ..... March 92
Boilers, Compressors Go "Top Side" in Newest Newspaper Plant ..... February 84
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm ..... June 115
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm, June, 1958—discussion on by John Holbrook ..... October 63
Design New Hospital Heating, Air Conditioning For Expansion, by William Sturm, June, 1958—Author Replies to Comments by John Holbrook, October, 1958 ..December 80
Fallout Studies Supply Air Pollution Information ..... May 104
How Not to Design Plant Cooling, by Samuel R. Lewis ..... April 129
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters ..... March 122
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—discussion on by Everett P. Palmatier ..... July 62
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—Authors Reply to Comments by Everett P. Palmatier, July, 1958 ..... July 62
Man's Days Numbered Unless He Mends His Ways, Doctor Tells APCA ..... December 78
Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957 and Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, by C. F. Mowrey—discussion on by C. F. Mowrey ..... June 89
Place New Importance on Design of Industrial Air Supply Systems, by John H. Clarke ..... April 116
Quality Book Paper Manufacture Needs Quality Ventilation, Heating, by G. P. Patterson ..... November 105
Report New Method for Studying Air Pollution, by H. Gardner Bourne, Jr. ..... March 139
Safety Takes Top Priority in Heating, Cooling Atom Lab, by W. O. Miller ..... February 100
Swedish Air Raid Shelter Ventilation Designed for Atomic War Emergency, by Axel Rosell ..... September 136
Unusual Air Conditioning System Meets Exacting Tolerances, by C. F. Mowrey ..... May 130
Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, and Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957, by C. F. Mowrey—discussion on by C. F. Mowrey ..... June 89
What Causes Oily Soot Problem In High Velocity Air Conditioning? —

Check Electronic Air Filter Operation, Condition of Bearings, Oil Sources, by Larrie L. Isenring ..... April 88
What Causes Oily Soot Problem in High Velocity Air Conditioning?—Ducts May Have Small Perforation Permitting Entrance of Oily Air, by H. B. Wayne ..... April 92
What Causes Oily Soot Problem in High Velocity Air Conditioning?—How One Company Found Solution To Its Soot Accumulation Problem, by George H. Cantrell ..... July 66
What Causes Oily Soot Problem in High Velocity Air Conditioning?—Use Dry Type Prefilter Arrangement So Soot Stays Dry, Doesn't Stick, by E. C. Grant ..... July 64
What Causes Oily Soot Problem in High Velocity Air Conditioning? April, 1958—discussion on by Arthur Nutting ..... August 80
What Causes Soot Problem in High Pressure Air Conditioning, September, 1957—discussion on by Clifford S. Stephens ..... January 141

Cooling

Air Condition New Building Via Cellular Steel Floor, by Samuel Sachs ..... June 97
Air Conditioning: Hidden Tool in Modern Aircraft Design, by E. W. Winchester ..... March 110
Air Conditioning Modernizes 15-Story Office Building, by William R. Eriksen ..... May 136
Big Spokane Heat Pump Reports Efficient, Economical Operation ..... September 150
Boilers, Compressors Go "Top Side" in Newest Newspaper Plant ..... February 84
Case Histories from a Consulting Engineer's File—Floor Design Boosts Cooling Load, by C. T. Baker ..... October 89
Church Air Conditioning Needs Can Be Met in Many Ways, by David C. Briggs and W. R. Woolrich ..... February 80
Condition Court Building Three Ways, by James M. Purdy ..... June 128
Condition Jail for Health, Security ..... July 85
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop ..... April 99
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop, April, 1958—discussion on by C. M. Sterne ..... May 107
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop, April, 1958—Author Reply to Comments by C. M. Sterne, May, 1958 ..... May 107
Corridor Duct Supplies Evaporatively Cooled Air Through Office Transoms in Old Building ..... February 99
Dehumidification Serves Comfort Air Conditioning, by Theo F. Rockwell and J. A. Sheahan ..... May 115
Design for Flexibility to Serve Plant's Heating, Cooling Needs, by E. H. Roper ..... July 83
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm ..... June 115
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm, June, 1958—discussion on by John Holbrook ..... October 63
Design New Hospital Heating, Air Conditioning For Expansion, by William Sturm, June, 1958—Author Replies to Comments by John Holbrook, October, 1958 ..... December 80
Duct System Built into Arches to Air Condition New Church ..... March 131
18 Zone Cooling Modernizes a 9 Story Hotel, August, 1957—discussion on by Michael W. Wasell ..... August 77
18 Zone Cooling Modernizes a 9 Story Hotel, August, 1957—Manager of Hotel Leland replies to Comments of Michael W. Wasell, August, 1958, James P. Bolinger ..... August 77
False Economies Such As This Are Expensive in the Long Run, by Samuel R. Lewis ..... November 111
Fan-Coil System Completes Cooling of Existing Office Building, by M. F. Stearn and Robert Masamitsu ..... July 76
Freezing Air Heats Northern Lab, by Joseph R. Campbell and Sheridan A. Yondt ..... August 89
Gas Generated Steam Cools Houston Engineers' Building ..... October 98
HTHW System Tailor-Made to Meet Shopping Center's Design Limitations, by Richard J. Bush ..... November 112
High Velocity System Solves Hotel's Modernization Puzzle, by Thomas Gressett ..... April 95
Hospital's Air Conditioning Maintenance Program Guarantees Optimun Operation, by Daniel M. Roop ..... September 117
How to Cut Cooling Costs, by Willie Hammer ..... July 109
How to Cut Cooling Costs, by Willie Hammer, July, 1958—discussion on by Ralph S. Segall ..... September 103
How to Design Controlled Environment For Best Greenhouse Growing Conditions, by Lewis Smith ..... December 98
How Not to Design Plant Cooling, by Samuel R. Lewis ..... April 129
How An Office Building's Occupancy Affects Its Air Conditioning Design . . . Three New Manhattan Skyscrapers Show How a Building's Purpose Often Outweighs Its Structure in Choosing a System Layout, by Lewis Smith ..... October 82
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... August 103
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... October 90
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... November 116
How Underground Workshops are Made Livable, by Axel Rosell ..... March 118
How Underground Workshops are Made Livable, by Alex Rosell, March, 1958—discussion on by Thomas H. Urdahl ..... April 86
Ice Warms, Cools Mine Ventilation Air ..... June 132
Industrial Ventilation: How Are Built-Up Systems Designed? by John H. Clarke ..... September 125
Installations Show How Gas Engines Drive Air Conditioning Systems, by Robert S. Curl and Robert C. Marsh ..... September 144
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters ..... March 122
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—discussion on by Everett P. Palmatier ..... July 62
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—Authors Reply to Comments by Everett P. Palmatier, July, 1958 ..... July 62
Modernization is Answer to Hotel's Heating, Cooling Problems, by Lewis Smith ..... February 94
Natural Gas Absorption System Selected for New Motel ..... June 121
New Air Distribution Technique Hides Diffusers Above Ceiling To Give Office Areas a New Look, by Robert B. Hupper ..... December 91
Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957 and Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, by C. F. Mowrey—discussion on by C. F. Mowrey ..... June 89
Panel Heating, Cooling System Simulates Variety of Load Conditions for Testing Electric, Electronic Control Performance, by W. G. Young ..... August 115
Planning to Use Water For Air Conditioning Design? by John F. Hoffman, August, 1957—discussion on by E. H. Harris ..... January 142
Planning to Use Water For Air Conditioning Design? by John F. Hoffman, August, 1957—Author's Reply to Comments made by E. H. Harris, January, 1958 ..... January 142
Preventive Maintenance Program Guarantees Continuous Steam ..... November 108
Quality Book Paper Manufacture Needs Quality Ventilation, Heating, by G. P. Patterson ..... November 105
Safety Takes Top Priority in Heating, Cooling Atom Lab, by W. O. Miller ..... February 100
Should Air Be Recirculated After Cooling Electric Office Machines? — Consider Supply, Exhaust Methods for Cooling Office Machines, by D. E. Wendel ..... September 106
Should Air Be Recirculated After Cooling Electric Office Machines?—Evaluate Total Operating Expense and Make Decision Accordingly, by H. B. Wayne ..... September 106
Should Air Be Recirculated After Cooling Electric Office Machines?—Recirculate Air By Mixing It With Sufficient Otuside Air, by Milton Dormont ..... September 104
Steam Heats, Cools New Arena and Theater, by George L. Dahl ..... April 115
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl ..... April 108
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl, April, 1958 — discussion on by A. R. Behnke ..... May 108
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl, April, 1958 — discussion on by Axel Rosell ..... May 107
System Stingy with Outdoor Air, by C. T. Baker ..... July 97
To Keep Air Conditioning Systems Operating — Combat Tower Water Dirt Buildup Through Good House-

keeping, by H. L. Shuldener, Jr. ..... July 86
Two-Zone Steam and Hot Water Systems Heat 225-Bed Hospital, by Edward J. Flahie ..... March 136
Unusual Air Conditioning System Meets Exacting Tolerances, by C. F. Mowrey ..... May 130
Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, and Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957, by C. F. Mowrey — discussion on by C. F. Mowrey ..... June 89
Unusual "Package" Job Cools Miami Classrooms ..... August 73
Unusual Structural Layout Demands Unique Air Conditioning Design, by William Hurd Hillyer ..... August 98
What Is Correct Pump Head for Cooling Tower Piping? — All That Is Needed Is Check Valve, Friction Loss, Defined Pumping Head, by Raymond C. Kelly ..... October 66
What Is Correct Pump Head for Cooling Tower Piping? — Find Net Static Head; Add Losses Through Pipe, Valves, Fittings, Coils, by W. J. McGinley ..... November 90
What Is Correct Pump Head for Cooling Tower Piping? — Head Depends on Size of Piping, Velocity of Water Through It, by John Belunas ..... October 66
What Is Correct Pump Head for Cooling Tower Piping? — Head = Resistance of Flow in Piping + Lift + Condenser Resistance, by Jake Cuthbert ..... December 86
What Is Correct Pump Head for Cooling Tower Piping? — Height Differences, Friction Losses Determine Startup, Operating Head, by Harold Bumpus ..... November 90
What Is Correct Pump Head for Cooling Tower Piping? — Pump Head = Friction + Combined Static Head, Maximum Pressure Drop, by William M. Bunting ..... November 92
What Is Correct Pump Head for Cooling Tower Piping? — Reverse Return System Preferred, Since It Facilitates Balancing, by Antonio Di Lorenzo ..... October 68
What Is Correct Pump Head for Cooling Tower Piping? — Some Earlier Answers Overlooked One Vital Factor: Heads Won't Balance, by Per Eskilson ..... December 88
What Is Correct Pump Head for Cooling Tower Piping? — Sufficient Head Must Be Provided To Raise Water Level to 175 Ft, by S. A. Littmann ..... December 88
What Does Gas Air Conditioning Cost? Absorption System and Steam Turbine Driven Compressor System, by H. Campbell Stuckeman ..... December 109

Distribution, Ventilation

Air Conditioning: Hidden Tool in Modern Aircraft Design, by E. W. Winchester ..... March 110
Air Conditioning Modernizes 15-Story Office Building, by William R. Eriksen ..... May 136
Air Condition New Building Via Cellular Steel Floor, by Samuel Sachs ..... June 97
Boilers, Compressors Go "Top Side" in Newest Newspaper Plant ..... February 84
Church Air Conditioning Needs Can Be Met in Many Ways, by David C. Briggs and W. R. Woolrich ..... February 80
Condition Court Building Three Ways, by James M. Purdy ..... June 128
Condition Jail for Health, Security ..... July 85
Dehumidification Serves Comfort Air Conditioning by Theo F. Rockwell and J. A. Sheahan ..... May 115
Design for Flexibility to Serve Plant's Heating, Cooling Needs, by E. H. Roper ..... July 83
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm ..... June 115
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm, June, 1958—discussion on by John Holbrook ..... October 63
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm, June, 1958 — Author Replies to Comments by John Holbrook, October, 1958 ..... December 80
Designing Fume Hoods for Medium Level Radioactive Conditions, by John M. Ruddy ..... March 128
Duct System Built Into Arches to Air Condition New Church ..... March 131
18 Zone Cooling Modernizes a 9 Story Hotel, August, 1957 — discussion on by Michael W. Wasell ..... August 77
18 Zone Cooling Modernizes a 9 Story Hotel, August, 1957—Manager of Hotel Leland replies to comments of Michael W. Wasell, August, 1958, James P. Bolinger ..... August 77
Fan-Coil System Completes Cooling of Existing Office Building, by M. F. Stearn and Robert Masamitsu ..... July 76
Freezing Air Heats Northern Lab, by Joseph R. Campbell and Sheridan A. Yondt ..... August 89
Gas Generated Steam Cools Houston Engineers' Building ..... October 98
High Velocity System Solves Hotel's Modernization Puzzle, by Thomas Gressett ..... April 95
Hospital's Air Conditioning Maintenance Program Guarantees Optimum Operation, by Daniel M. Roop ..... September 117
How to Figure Duct Fitting Losses, by James A. Hodde ..... September 151
How to Find Equivalent Lengths of Elbows in Rectangular Ducts, by Julian T. Eubanks, December, 1957 — discussion on by Guy A. Voorhees ..... March 97
How to Find Equivalent Lengths of Elbows in Rectangular Ducts, by Julian T. Eubanks, December, 1957 — Author Replies to Comments by Guy A. Voorhees, March, 1958 ..... March 97
How to Find Equivalent Lengths of Elbows in Rectangular Ducts, by Julian T. Eubanks, December, 1957 and comments on this article by Guy Voorhees and Julian T. Eubanks, March, 1958 — discussion on by David W. Locklin ..... May 108
How Not To Design Plant Cooling, by Samuel R. Lewis ..... April 129
How An Office Building's Occupancy Affects Its Air Conditioning Design . . . Three New Manhattan Skyscrapers Show How a Building's Purpose Often Outweighs Its Structure in Choosing a System Layout, by Lewis Smith ..... October 82
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... August 103
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... October 90
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... November 116
How Underground Workshops are Made Livable, by Axel Rosell ..... March 118
How Underground Workshops are Made Livable, by Axel Rosell, March, 1958 — discussion on by Thomas H. Urdahl ..... April 86
Ice Warms, Cools Mine Ventilation Air ..... June 132
Industrial Ventilation: How Are Built-Up Systems Designed? by John H. Clarke ..... August 117
Industrial Ventilation: How Are Built-Up Systems Designed? by John H. Clarke ..... September 125
Industrial Ventilation: How Are Built-Up Systems Designed? by John H. Clarke ..... October 101
Industrial Ventilation: How to Design for Heat Recovery, by John H. Clarke ..... November 123
Industrial Ventilation: How Is It Designed? by John H. Clarke ..... June 104
Industrial Ventilation: How Is It Designed? by John H. Clarke, June, 1958 — discussion on by H. P. Kaulfuss ..... September 97
Industrial Ventilation: How Is It Designed? by John H. Clarke, June, 1958 — Author Replies to Comments by H. P. Kaulfuss, September, 1958 ..... September 97
Industrial Ventilation: How Is Its Equipment Selected? by John H. Clarke ..... July 91
Installations Show How Gas Engines Drive Air Conditioning Systems, by Robert S. Curl and Robert C. Marsh ..... September 144
Lack of Design Precedent Made This Heating, Ventilating Job a Tough One, by Chester E. McCallum ..... November 120
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters ..... March 122
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958 — discussion on by Everett P. Palmatier ..... July 62
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958 — Authors Reply to Comments by Everett P. Palmatier, July, 1958 ..... July 62
Misplaced Air Intake Costly, by C. T. Baker ..... July 97
New Air Distribution Technique Hides Diffusers Above Ceiling To Give Office Areas a New Look, by Robert B. Hupper ..... December 91
New Chart Sizes Ducts Directly By Static Regain Method, by R. Jorgensen ..... October 107
New Method Simplifies Predicting Noise Levels Created by Fans, Similar Equipment, by R. A. Gerlitz ..... April 122
New Method Simplifies Predicting Noise Levels Created by Fans, Similar Equipment, by R. A. Gerlitz ..... May 150
New Method Simplifies Predicting Noise Levels, by R. A. Gerlitz, April and May, 1958 — discussion on by R. L. Hull ..... July 59
New Method Simplifies Predicting

Noise Levels, by R. A. Gerlitz, April and May, 1958 — Author Reply to Comments by R. L. Hull, July, 1958 ..... July 59
New Toll Plaza Snow Melting System Keeps Skyway Traffic Moving, by Gordon W. Neal ..... September 140
Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957 and Unusual Air Conditioning System Meets Exchange Tolerances, May, 1958, by C. F. Mowrey — discussion on by C. F. Mowrey ..... June 89
Place New Importance on Design of Industrial Air Supply Systems, by John H. Clarke ..... April 116
Preventive Maintenance Program Guarantees Continuous Steam ..... November 108
Prison's Heating, Ventilating Systems Meet Maximum Security Needs, by John H. Ross ..... June 110
Prison's Heating, Ventilating Systems Meet Maximum Security Needs, June, 1958, by John H. Ross — discussion on by Lester S. Ries ..... August 80
Prison's Heating, Ventilating Systems Meet Maximum Security Needs, by John H. Ross, June, 1958 — Author Replies to Comments by Lester S. Ries, August, 1958 ..... December 80
Quality Book Paper Manufacture Needs Quality Ventilation, Heating, by G. P. Patterson ..... November 105
Roof Ventilation Formula Aids Plant Fire Control ..... August 102
Saftey Takes Top Priority in Heating, Cooling Atom Lab, by W. O. Miller ..... February 100
Should Air Be Recirculated After Cooling Electric Office Machines? — Consider Supply, Exhaust Methods for Cooling Office Machines, by D. E. Wendel ..... September 106
Should Air Be Recirculated After Cooling Electric Office Machines? — Evaluate Total Operating Expense and Make Decision Accordingly, by H. B. Wayne ..... September 106
Should Air Be Recirculated After Cooling Electric Office Machines? — Recirculate Air By Mixing It With Sufficient Outside Air, by Milton Dormont ..... September 104
Sizing Ducts by Equal Friction Method, by Vincent J. Turecamo ..... January 179
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl ..... April 108
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl, April, 1958 — discussion on by A. R. Behnke ..... May 108
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl, April, 1958 — discussion on by Axel Rosell ..... May 107
Swedish Air Raid Shelter Ventilation Designed for Atomic War Emergency, by Axel Rosell ..... September 136
"Transverse" Tunnel Ventilation Assures Uniform Air Distribution, by H. G. Cruthers ..... July 79
"Transverse" Tunnel Ventilation Assures Uniform Air Distribution, by H. G. Cruthers, July, 1958 — discussion on by A. C. Willard ..... August 77
Ultraviolet-Sensing Tube Detects Fire, Vapors ..... December 77
Unusual Air Conditioning System Meets Exacting Tolerances, by C. F. Mowrey ..... May 130
Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, and Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957, by C. F. Mowrey — discussion on by C. F. Mowrey ..... June 89
Unusual Ductwork, Piping Follow Round Contour of Control Tower ..... November 128
Unusual Structural Layout Demands Unique Air Conditioning Design, by William Hurd Hillyer ..... August 98
Use Electricity or Oil To Heat This School? . . . Here Are Actual Cost Comparisons, by Denard L. Gusler ..... October 78
What Are Limits of Slot Exhaust? . . . It's Volume of Air Exhausted —Not High Velocity—That Really Counts, by A. B. Epple ..... December 120
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea ..... April 104
Why Steam Coils Freeze and How to Combat this Problem, by H. W. Alyea ..... May 127
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958 — discussion on by W. B. Buck ..... December 82
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958 — Author Replies to Comments by W. B. Buck, December, 1958 ..... December 84
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958 — discussion on by Lewis Smith ..... September 98
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea — Author Replies to Comments by Lewis Smith, September, 1958 ..... September 102

Humidifying, Dehumidifying

Air Conditioning: Hidden Tool in Modern Aircraft Design, by E. W. Winchester ..... March 110
Church Air Conditioning Needs Can Be Met in Many Ways, by David C. Briggs and W. R. Woolrich ..... February 80
Dehumidification Serves Comfort Air Conditioning, by Theo. F. Rockwell and J. A. Sheahan ..... May 115
Here Are Fundamentals of Conditioning Compressed Air, July, 1958 and Increase Compressed Air Efficiency Through Mechanical Refrigeration, August, 1958, by Frank D. Ross — discussion on by C. T. Baker ..... October 63
High Velocity System Solves Hotel's Modernization Puzzle, by Thomas Gressett ..... April 95
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... August 103
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... October 90
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson ..... November 116
Increase Compressed Air Efficiency Through Mechanical Refrigeration, by Frank D. Ross ..... August 122
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters ..... March 122
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958 — discussion on by Everett P. Palmatier ..... July 62
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958 — Authors Reply to Comments by Everett P. Palmatier, July, 1958 ..... July 62
Modernization is Answer to Hotel's Heating, Cooling Problems, by Lewis Smith ..... February 94
Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957 and Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, by C. F. Mowrey — discussion on by C. F. Mowrey ..... June 89
Place New Importance on Design of Industrial Air Supply Systems, by John H. Clarke ..... April 116
Quality Book Paper Manufacture Needs Quality Ventilation, Heating, by G. P. Patterson ..... November 105
Unusual Air Conditioning System Meets Exacting Tolerances, by C. F. Mowrey ..... May 130
Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, and Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957, by C. F. Mowrey — discussion on by C. F. Mowrey ..... June 89
What Vapor Transmission Rules Apply When Planning for Dehumidification? ..... January 144
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Derive Vapor Transmission Rates for Steady, Unsteady-State Condition, by H. B. Wayne ..... February 70
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Extend Principles for Small Openings to Compute Larger's Transfer Rate, by E. R. Queer ..... January 144
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Vapor Pressure Change Negligible If Door Is Not Open Too Long, by Stuart Giles ..... February 70
What Vapor Transmission Rules Apply When Planning for Dehumidification? in January and February 1958 issues — discussion on by Walter E. Ellis ..... April 82

Odors, Sterilization, Ionization

Ions' Role in Air Conditioning Takes on New Importance, by John C. Beckett ..... January 165
Ions' Role in Air Conditioning Takes on New Importance, by John C. Beckett, January, 1958 — discussion on by John T. Cartland ..... April 85
Ions' Role in Air Conditioning Takes on New Importance, by J. C. Beckett, January, 1958 — Author Replies to Comments by John T. Cartland, April, 1958 ..... April 85

HEATING

General

Addresses of Engineering Societies, Associations ....June 135
Bid Shopping Bill Dangerous to Both Contractors, Union ....July 74
Big Boom Is on the Way, Need Engineer-Executives to Fill Top Level Jobs ....December 110
Building Contract Trend Indicates Rosy Future ....November 83
Building Outlay Reflects Year-End Seasonal Decline ....January 137
Building Picture Brightens; Contracts Up 4 Percent Over April Last Year ....July 55
Construction Contracts Continue Upswing ....October 57
Construction Contracts for 1957 Increase 2 Percent Over Year Earlier Total ....March 92
Construction Contracts Off 12 Percent in March ....June 86
Construction Cost Index 2nd Quarter Up 6 Points ....September 93
Construction Cost Index Shows 2 Point Increase in Fourth Quarter, 1957 ....March 92
Construction Industry Bolsters National Economy ....October 57
Construction Outlay Up "As Usual" in March ....May 103
Construction Outlay Up 3 Percent in January, 1958 ....March 91
Construction Spending Maintains Record Level in January, February ....April 81
Consulting Engineer's Day a Busy One, by Samuel R. Lewis ....August 97
Contractor Reports Plan to Install HPAC Systems on Lease Basis ....November 119
Contractor's Bookkeeping Shortcut Proves Expensive Proposition, by William Hurd Hillyer ....February 104
Do You Know Enough About Contracts? by Earl W. Mounce and Robley D. Stevens ....January 170
Engineers Council Adopts New Statement of Ethics ....June 85
Engineers Probe Management Problems, Iron Out Matters of Common Interest at University of Wisconsin Seminar, by Harry J. Scharres ....September 148
Establish Color Code for Instrument Tubing ....April 82
5th Apprentice Contest Set for August 10-15 at Purdue University ....June 86
Future Building Contracts Show 10 Percent Decrease for February ....May 103
Future Construction Contracts Show Decline ....April 81
Garden of Eden, Climate Cited as Man's Ideal at Climate Design Conference ....February 63
Gas Industry Sales Ahead of Slack Industrial Pace ....September 94
Gas Sales to Industries Show 4.1 Percent Gain ....October 58
Gas Sales, Revenues Reach Record Highs During 1957 ....May 104
Gas Utility, Pipe Line Sales Show Annual Gain ....November 84
HPAC Editorial Board, Lester S. Ries Joins ....March 91
Here Are More Ways to Build Reliable, Efficient Library, by H. B. Wayne ....December 84
Industrial Gas Sales Decreases 4.6 Percent Under Last March ....July 56
June Building Contracts Continue May's Surge ....September 93
Know Your Arbitration Clause, by William Hurd Hillyer ....March 142
MCAA, NAPC Study Merger ....June 85
MCAA Study Committee Lays Merger Groundwork ....September 94
May Building Contracts Break All-Time Record Highest Ever for Single Month ....August 73
Mechanical (HPAC) Contractors Defer Action on Merger ....July 72
National Library Week in March ....March 92
Natural Gas Reserves Continue to Climb ....April 82
1957 Construction Hit Record $47.2 Billion ....February 63
1958: Will It Be a Good Year? ....January 156
1959 Construction To Set New Record ....December 77
Poor Maintenance by Owners: The Bane of Our Reputations ....December 102
Remedy, Liability Not Synonymous, by William Hurd Hillyer ....July 105
Request ASA Standards for Heat Exchangers ....January 138
Research Reveals Rust Rates in U. S. Cities . . . Highest in Industrial Centers ....October 85
Revised Curricula Needed for Balanced Education ....June 86
See 5 Percent Increase in Dollar Outlay to $49.6 Billion Construction Total in 1958 ....January 157
Simplification Answer to 'Why Johnny Hates Math' ....January 138
Steam Produced From Incinerator Gases With Variable Speed Draft Inducer ....September 139
Subcontractor Stung by Valid Contract, by William Hurd Hillyer ....November 129
Suggests Two Sets of Standards Be Adopted for Spec Writing, September 1957—discussion on by LeRoy E. Petersen ....February 67
36th OHI Convention Largest in History ....August 74
Twin Units Heat, Cool Planetarium at Butler University ....June 127
Unusual Ductwork, Piping Follow Round Contour of Control Tower ....November 128
Urges High Tariff On Copper Imports to Preserve Economy ....May 104
What's Best Way to Set Up Technical Reference Library?—Depends More on Individual Needs Than on Any Standard Technique, by D. C. McCoy ....August 84
What's Best Way to Set Up Technical Reference Library?—Time Tested Technical Filing System Serves Busy, "Lazy" Engineer, by R. Ahern ....August 82
What's Best Way to Set Up Technical Reference Library?—Write to Special Libraries Association for Free Library Consulting Service, by Florence H. Armstrong ....August 84
What's Best Way to Set Up Technical Reference Library? August, 1958—discussion on by Eugene B. Jackson ....October 64
When Delegating Jobs, Choose Right Employees ....November 84
World's Fair 'Real Cool' for Tourists, Displays ....September 94

Fundamental

Breather Pipe to Outdoors Vents Valve Air Pocket to Keep Diaphragm Valve Operating When Handling Low Pressure Gas, by Samuel R. Lewis ....June 134
Competition + Instructor Training = Skilled Pipe Fitters for HPAC Industry ....October 73
Cut Heating Costs 68 Ways—Checklist Shows How, by Willie Hammer ....January 189
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer ....December 112
Here's How to Figure Infiltration Due to Stack Effect When Calculating Building Heat Loads, by Ralph J. Abramson ....December 103
Here's Short Cut To Pipe Line Erection Estimating, by James H. Shaw ....June 101
High Temperature-High Pressure Hot Water Heating Must be Understood, by Harold A. Lockhart ....August 95
High Temperature-High Pressure Hot Water Heating Must be Understood, by H. A. Lockhart, August, 1958—discussion on by E. G. Hansen ....October 63
How to Make Rough Estimates of Building Heat Losses, by Mario F. Muzzillo and Basil J. Candela ....May 155
How Many Manhours Required for HPAC Installation Work?—Personnel, Work Area, Accessibility Govern Installation Manhour Output, by H. B. Wayne ....March 100
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg ....June 124
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg, June, 1958—discussion on by J. W. Turner ....November 87
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg, June, 1958—Author Replies to Comments by J. W. Turner, November, 1958 ....November 88
In Plant Operation Maintenance Is Key to Big Savings Through Cooperation, Planning ....April 120
In Plant Operation Maintenance Is Key to Big Savings Through Cooperation, Planning ....May 144
Lack of Bond Costly to Contractor, by William Hurd Hillyer ....May 154
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957—discussion on by Charles F. Neergaard ....January 141
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957—author discusses comments made by Lee P. Hynes and George G. Nash, November, 1957 ....January 141
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October 1957—Author Reply to Comments by Kalman Steiner, November 1957 ....February 67
Sheet Metal Ducts Are Solution To Critical Stack Effect Problem In Balancing Heating for Multistory Apartment Buildings, by Lewis Smith ....June 130
Sheet Metal Ducts Are Solution to Critical Stack Effect Problem In Balancing Heating for Multistory Apartment Buildings, by Lewis Smith, June, 1958—discussion on

by Erwin L. Weber .....September 103
Sheet Metal Ducts Are Solution To Critical Stack Effect Problem In Balancing Heating for Multistory Apartment Buildings, by Lewis Smith, June, 1958—discussion on Erwin L. Weber's comments, September, 1958, by Lewis Smith .....November 87
Success of Underground Structure Depends on Air Conditioning, by Thomas H. Urdahl .....April 108
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl, April, 1958—discussion on by A. R. Behnke .....May 108
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl, April, 1958—discussion on by Axel Rosell .....May 107
Underground Test Chamber Provides Heat Transfer Data for Establishing Design Criteria .....March 121
Ways to Cut Installation Costs of Heating, Air Conditioning Equipment, by Samuel R. Lewis ..March 127

District & Central

Contract Must Protect Against Loss, by William Hurd Hillyer .....June 109
NDHA Hears How . . . Absorption System Cools 27-year-old Building; University Expansion has Upped Consumption; Meter Bearing Failures Can be Prevented; Underground Corrosion is Controlled, by John F. Collins, Jr. ....October 94
NDHA Hears How—Leaks in Condensate Lines Can Be Detected; Rented Controls Improve Operation; Maintenance Costs Can Be Cut; Use of Steam for Air Conditioning is Increasing; Sales Can Be Boosted through Cost Comparisons, by John F. Collins, Jr. .....September 121
New District Stream Users Stabilize '57 Volume, Sales Reports NDHA at 49th Annual Meeting, by John F. Collins, Jr. .....August 100
Revise Steam Lines, Improve Metering To Keep Abreast of Heating Needs, by C. M. Holden and Norman Goodwin .....May 119
Revise Steam Lines, Improve Metering to Keep Abreast of Heating Needs, by C. M. Holden and Norman Goodwin, Jr., May, 1958—discussion on by Lester S. Ries .....August 77
Substitute Individual Heating Plants After Street Steam Was Shut Off, by Samuel R. Lewis .....May 149
Unusual Structural Layout Demands Unique Air Conditioning Design by William Hurd Hillyer ..August 98

Electric

Electric Heater-Ventilator Cut Cost of School, by Thomas A. McConnaughey, December 1955 and Heat Schools Electrically, by Robert Lee Boyd, December 1956—discussion on by J. H. Elliott ....February 67
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters .....March 122
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—discussion on by Everett P. Palmatier .....July 62
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—Authors Reply to Comments by Everett P. Palmatier, July, 1958 .....July 62
Use Electricity or Oil To Heat This School?—Here Are Actual Cost Comparisons, by Denard L. Gusler .....October 78

Hot Water

Beware of "Phantom" Organizations, by William Hurd Hillyer .....October 100
Big Spokane Heat Pump Reports Efficient, Economical Operation .....September 150
Combination of Several Systems Solves School's Heating Riddle, by John G. Skidmore .....September 134
Consider Altitude Factor In Designing Hot Water Heating, by John J. Blank .....March 114
Design for Flexibility to Serve Plant's Heating, Cooling Needs, by E. H. Roper .....July 83
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm .....June 115
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm, June, 1958—discussion on by John Holbrook .....October 63
Design New Hospital Heating, Air Conditioning For Expansion, by William Sturm, June, 1958—Author Replies to Comments by John Holbrook, October, 1958 .....December 80
False Economies Such As This Are Expensive in the Long Run, by Samuel R. Lewis .....November 111
Fan-Coil System Completes Cooling of Existing Office Building, by M. F. Stearn and Robert Masamitsu .....July 76
Food Process Operations Demand Maze of Piping, by Roy M. Lazar .....March 105
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—discussion on by C. T. Baker .....April 86
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—discussion on by A. C. Kirkwood .....October 61
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—Author Replies to Comments by A. C. Kirkwood, October, 1958 .....October 61
Freezing Air Heats Northern Lab, by Joseph R. Campbell and Sheridan A. Yondt .....August 89
HTHW System Tailor-Made to Meet Shopping Center's Design Limitations, by Richard J. Bush .....November 112
High Temperature-High Pressure Hot Water Heating Must be Understood, by Harold A. Lockhart .....August 95
High Temperature-High Pressure Hot Water Heating Must be Understood, by H. A. Lockhart, August, 1958—discussion on by E. G. Hansen .....October 63
High Temperature Hot Water, by J. R. Kell .....January 188
Hospital's Air Conditioning Maintenance Program Guarantees Optimum Operation, by Daniel M. Roop .....September 117
Hot Water Booster Heaters: What Every User Should Know, by E. Spencer, November 1957—discussion on by R. A. Parsons ..February 68
Hot Water Booster Heaters: What Every User Should Know, by E. Spencer, November 1957—Author Replies to Comments by R. A. Parsons, February, 1958 ....February 68
How Much Gas to Heat Water? by Merlin Savage, Jr. .....August 125
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens .....April 112
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens .....May 138
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens .....June 119
How to Prevent Unbalance in Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens—April, May, June, 1958. Source of Illustrations Acknowledged .....July 62
How Temperature, Pressure, Pump Power are Related in HTHP Hot Water Systems .....August 96
Huge HTHW System Unique Heating-Cooling Operation at New York International Airport, by William T. O'Reilly .....February 75
Huge HTHW System Supplies Unique Cooling-Heating Operation at New York International Airport, by William T. O'Reilly .....March 132
Huge HTHW System Supplies Unique Heating-Cooling Operation at New York International Airport, by William T. O'Reilly, February and March, 1958—correction in terminology .....June 90
I Changed Pump Connections to Solve Hot Water Heating Problem, Save Fuel, by Samuel R. Lewis .....September 133
Multiple Plant's HTHW System Provides Direct Heating, Supplies Low Temperature Hot Water, Furnishes Process Steam, September, 1957—discussion on by W. F. Chinery .....June 89
Natural Gas Absorption System Selected for New Motel ....June 121
NDHA Hears How . . . Absorption System Cools 27-year-old Building; University Expansion has Upped Consumption; Meter Bearing Failures Can Be Prevented; Underground Corrosion is Controlled, by John F. Collins, Jr. .....October 94
NDHA Hears How—Leaks in Condensate Lines Can Be Detected; Rented Controls Improve Operation; Maintenance Costs Can Be Cut; Use of Steam for Air Conditioning is Increasing; Sales Can Be Boosted through Cost Comparisons, by John F. Collins, Jr. .....September 121
New Air Distribution Technique Hides Diffusers Above Ceiling To Give Office Areas a New Look, by Robert B. Hupper .....December 91
Panel Heating, Cooling System Simulates Variety of Load Conditions for Testing Electric, Electronic Control Performance, by W. G. Young .....August 115
See HTHW Terminology Redundant; Also, Why Call Equipment "Boilers?", by Erik B. J. Roos, ...April 85

See HTHW Terminology Redundant; Also, Why Call Equipment "Boilers?", by Erik B. J. Roos, April, 1958—discussion on by J. F. Gschwind ..... June 90
See HTHW Terminology Redundant; Also, Why Call Equipment "Boilers?", by Erik B. J. Roos, April, 1958—discussion on by E. G. Hansen ..... July 59
See HTHW Terminology Redundant; Also, Why Call Equipment "Boilers?", by Erik B. J. Roos, April, 1958—discussion on by Sheldon R. Higgins ..... August 80
See HTHW Terminology Redundant; Also, Why Call Equipment "Boilers?", by Erik B. J. Roos, April, 1958—discussion on by Eugene Stamper ..... June 90
Terminology for High Temperature Hot Water, by Erik B. J. Roos, April, 1958 and E. G. Hansen, July, 1958—discussion on by E. B. T. Tanner ..... October 64
Terminology for High Temperature Hot Water, by E. G. Hansen, July, 1958—discussion on by M. T. Way ..... November 87
Terminology Should Distinguish Between Hot Water, Warm Water—discussion on by Leo De Bruyn ..... December 80
Thermal Shock to Hot Water Boilers: Its Causes, Cures, by Bert Streeter ..... January 168
Two-Zone Steam and Hot Water Systems Heat 225-Bed Hospital, by Edward J. Flahie ..... March 136
What Does Gas Air Conditioning Cost? Absorption System and Steam Turbine Driven Compressor System, by H. Campbell Stuckeman ..... December 109
What to Look For in a Valve for Hot Water Heating Control, by W. G. Young ..... November 130
Why Is High Temperature Hot Water Used Directly in Cooling Tower? by W. F. Chinery ..... June 89

Steam

(Including Vacuum & Vapor)

Accessories Improve Steam Trap Arrangement, by G. W. Hauck ..... February 79
Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957—discussion on by William F. Ryan ..... March 98
Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957—Authors Reply to Comments by William F. Ryan, March, 1958 ..... March 98
Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957 — discussion on by Thomas H. Urdahl ..... March 98
Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957—Authors Reply to Comments by Thomas H. Urdahl, March, 1958 ..... March 98
At What Rate Should Steam Lines be Heated to Avoid Damage? November, 1957 — discussion on by T. H. Rea ..... January 142
Boilers, Compressors Go "Top Side" in Newest Newspaper Plant ..... February 84
Cost of Steam Using Coal as Fuel, by Irving E. Brooke ..... January 186
Cost of Steam Using Gas as Fuel, by Irving E. Brooke ..... January 184
Cost of Steam Using Oil as Fuel, by Irving E. Brooke ..... January 185
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm ..... June 115
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm, June, 1958 — discussion on by John Holbrook ..... October 63
Design New Hospital Heating, Air Conditioning For Expansion, by William Sturm, June, 1958 — Author Replies to Comments by John Holbrook, October, 1958 December 80
Food Process Operations Demand Maze of Piping, by Roy M. Lazar ..... March 105
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958 — discussion on by C. T. Baker ..... April 86
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958 — discussion on by A. C. Kirkwood ..... October 61
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958 — Author Replies to Comments by A. C. Kirkwood, October, 1958 ..... October 61
High Velocity System Solves Hotel's Modernization Puzzle, by Thomas Gressett ..... April 95
How to Design Controlled Environment For Best Greenhouse Growing Conditions, by Lewis Smith ..... December 98
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg ..... June 124
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg, June, 1958 — discussion on by J. W. Turner ..... November 87
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg, June, 1958 — Author Replies to Comments by J. W. Turner, November, 1958 ..... November 88
In Small Apartments, Motels Low Pressure Steam Zone System Meets Varied Heating Demands, by Paul S. Amber and George H. Amber ..... July 103
Industrial Ventilation: How Are Built-Up Systems Designed? by John H. Clarke ..... September 125
Ingenious Construction Scheme Hoists Steam Lines Skyward, by E. W. Winchester ..... January 153
Lack of Design Precedent Made This Heating, Ventilating Job a Tough One, by Chester E. McCallum ..... November 120
Modernization is Answer to Hotel's Heating, Cooling Problems, by Lewis Smith ..... January 94
NDHA Hears How . . . Absorption System Cools 27-year-old Building; University Expansion Has Upped Consumption; Meter Bearing Failures Can Be Prevented; Underground Corrosion is Controlled, by John F. Collins, Jr. ..... October 94
NDHA Hears How — Leaks in Condensate Lines Can Be Detected; Rented Controls Improve Operation; Maintenance Costs Can Be Cut; Use of Steam for Air Conditioning is Increasing; Sales Can Be Boosted through Cost Comparisons, by John F. Collins, Jr. ..... September 121
New Air Distribution Technique Hides Diffusers Above Ceiling To Give Office Areas a New Look, by Robert B. Hupper ..... December 91
New Toll Plaza Snow Melting System Keeps Skyway Traffic Moving, by Gordon W. Neal ..... September 140
Preventive Maintenance Program Guarantees Continuous Steam ..... November 108
Prison's Heating, Ventilating Systems Meet Maximum Security Needs, by John H. Ross ..... June 110
Prison's Heating, Ventilating Systems Meet Maximum Security Needs, June, 1958, by John H. Ross — discussion on by Lester S. Ries ..... August 80
Prison's Heating, Ventilating Systems Meet Maximum Security Needs, by John H. Ross, June, 1958 — Author Replies to Comments by Lester S. Ries, August, 1958 ..... December 80
Quality Book Paper Manufacture Needs Quality Ventilation, Heating, by G. P. Patterson ..... November 105
Revolving Heaters Solve Arena's Heating Problem ..... October 97
Revise Steam Lines, Improve Metering To Keep Abreast of Heating Needs, by C. M. Holden and Norman Goodwin ..... May 119
Revise Steam Lines, Improve Metering to Keep Abreast of Heating Needs, by C. M. Holden and Norman Goodwin, Jr., May, 1958 — discussion on by Lester S. Ries ..... August 77
Safety Cuts Maintenance Costs in Pressure or Temperature Regulating Stations for Control of Steam and Other Gases, by E. Grafe ..... June 122
Safety Takes Top Priority in Heating, Cooling Atom Lab, by W. O. Miller ..... February 100
Sometimes We Design for Discomfort . . . A Steam Room, for Example, by Samuel R. Lewis ..... October 81
Steam Heats, Cools New Arena and Theater, by George L. Dahl ..... April 115
Substitute Individual Heating Plants After Street Steam Was Shut Off, by Samuel R. Lewis ..... May 149
Two-Zone Steam and Hot Water Systems Heat 225-Bed Hospital, by Edward J. Flahie ..... March 136
Use Electricity or Oil to Heat This School? . . . Here Are Actual Cost Comparisons, by Denard L. Gusler ..... October 78
Vacuum Pump Would Have Prevented Costly Troubles of Heating System, by Samuel R. Lewis ..... January 196
Vacuum Pump Would Have Prevented Costly Troubles of Heating System, by Samuel R. Lewis, January, 1958 — discussion on by R. A. Parsons ..... June 90
Vacuum Pump Would Have Prevented Costly Troubles of Heating System, by Samuel R. Lewis, January, 1958 — Author Reply to Comments by R. A. Parsons, June, 1958 ..... June 90
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea ..... April 104
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea ..... May 127
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958 — discussion on by W. B. Buck ..... December 82
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958 — Author Replies to Comments by W. B. Buck, December, 1958 December 84

Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958—discussion on by Lewis Smith ..... September 98

Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea—Author Replies to Comments by Lewis Smith, September, 1958 ..... September 102

Warm Air

Combination of Several Systems Solves School's Heating Riddle, by John G. Skidmore ..... September 134

Freezing Air Heats Northern Lab, by Joseph R. Campbell and Sheridan A. Yondt ..... August 89

Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters ..... March 122

Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—discussion on by Everett P. Palmatier ..... July 62

Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—Authors Reply to Comments by Everett P. Palmatier, July, 1958 ..... July 62

PIPING

General

ABS Plastic Pipe Standards Proposed ..... November 84

Addresses of Engineering Societies, Associations ..... June 135

Bid Shopping Bill Dangerous to Both Contractors, Union ..... July 74

Big Boom Is on the Way Need Engineer-Executives to Fill Top Level Jobs ..... December 110

Bright Horizon Pictured at 23rd Power Show ..... November 83

Building Contract Trend Indicates Rosy Future ..... November 83

Building Outlay Reflects Year-End Seasonal Decline ..... January 137

Building Picture Brightens; Contracts Up 4 Percent over April Last Year ..... July 55

Construction Contracts Continue Upswing ..... October 57

Construction Contracts for 1957 Increase 2 Percent Over Year Earlier Total ..... March 92

Construction Contracts Off 12 Percent in March ..... June 86

Construction Cost Index 2nd Quarter Up 6 Points ..... September 93

Construction Cost Index Shows 2 Point Increase in Fourth Quarter, 1957 ..... March 92

Construction Industry Bolsters National Economy ..... October 57

Construction Outlay Up "As Usual" in March ..... May 103

Construction Outlay Up 3 Percent in January, 1958 ..... March 91

Construction Spending Maintains Record Level in January, February ..... April 81

Contractor Reports Plan to Install HPAC Systems on Lease Basis ..... November 119

Contractor's Bookkeeping Shortcut Proves Expensive Proposition, by William Hurd Hillyer ..... February 104

Engineers Council Adopts New Statement of Ethics ..... June 85

Engineers Probe Management Problems, Iron Out Matters of Common Interest at University of Wisconsin Seminar, by Harry J. Scharres ..... September 148

Establish Color Code for Instrument Tubing ..... April 82

5th Apprentice Contest Set for August 10-15 at Purdue University ..... June 86

Future Building Contracts Show 10 Percent Decrease for February ..... May 103

Future Construction Contracts Show Decline ..... April 81

Gas Industry Sales Ahead of Slack Industrial Pace ..... September 94

Gas Utility, Pipe Line Sales Show Annual Gain ..... November 84

Greedy Contractor's Ill-founded Claims Save Piping Subcontractor's Shirt, by William Hurd Hillyer ..... December 119

HPAC Editorial Board, Lester S. Ries Joins ..... March 91

Here Are More Ways to Build Reliable, Efficient Library, by H. B. Wayne ..... December 84

June Building Contracts Continue May's Surge ..... September 93

Know Your Arbitration Clause, by William Hurd Hillyer ..... March 142

MCAA, NAPC Study Merger ..... June 85

MCAA Study Committee Lays Merger Groundwork ..... September 94

May Building Contracts Break All-Time Record Highest Ever for Single Month ..... August 73

Mechanical (HPAC) Contractors Defer Action on Merger ..... July 72

National Library Week in March ..... March 92

1957 Construction Hit Record $47.2 Billion ..... February 63

1958: Will It Be a Good Year? ..... January 156

1959 Construction To Set New Record ..... December 77

Remedy, Liability Not Synonymous, by William Hurd Hillyer ..... July 105

Research Reveals Rust Rates in U. S. Cities . . . Highest in Industrial Centers ..... October 85

Revised Curricula Needed for Balanced Education ..... June 86

See 5 Percent Increase in Dollar Outlay to $49.6 Billion Construction Total in 1958 ..... January 157

Simplification Answer to 'Why Johnny Hates Math' ..... January 138

Subcontractor Stung by Valid Contract, by William Hurd Hillyer ..... November 129

Suggests Two Sets of Standards Be Adopted for Spec Writing, September 1957—discussion on by LeRoy E. Petersen ..... February 67

Urges High Tariff On Copper Imports to Preserve Economy ..... May 104

What's Best Way to Set Up Technical Reference Library?—Depends More on Individual Needs Than on Any Standard Technique, by D. C. McCoy ..... August 84

What's Best Way to Set Up Technical Reference Library?—Time Tested Technical Filing System Serves Busy, "Lazy" Engineer, by R. Ahern ..... August 82

What's Best Way to Set Up Technical Reference Library?—Write to Special Libraries Association for Free Library Consulting Service, by Florence H. Armstrong ..... August 84

What's Best Way to Set Up Technical Reference Library? August, 1958—discussion on by Eugene B. Jackson ..... October 64

When Delegating Jobs, Choose Right Employees ..... November 84

Fundamental

ASA Approves Revisions of Butt Welding Standards ..... October 58

Calculating Pipe Stress Efficiently, by K. Hao Hsiao ..... January 172

Check Requirements, Design Factors When Choosing Piping Materials, by O. N. Dudkin and F. F. Pfeiffer ..... March 125

Competition + Instructor Training = Skilled Pipe Fitters for HPAC Industry ..... October 73

Determining When Pump Should Be Replaced, by C. E. Cromwell ..... January 180

Do You Know Enough About Contracts? by Earl W. Mounce and Robley D. Stevens ..... January 170

Gear Covers, Valve Indicators Prove Valuable Piping Accessories, by G. W. Hauck ..... April 119

Here's Short Cut To Pipe Line Erection Estimating, by James H. Shaw ..... June 101

How to Determine Tank Capacities, by Willie Hammer ..... March 143

How Many Manhours Required for HPAC Installation Work?—Personnel, Work Area, Accessibility Govern Installation Manhour Output, by H. B. Wayne ..... March 100

How to Prevent Weld Failures in Nuclear Power Piping, by V. T. Malcolm and Sidney Low ..... July 106

How to Space Supports for Steel Pipe, by George Metry ..... January 197

How Do Wind Loads Affect Stability of Pipe Supports?—Effect of Wind Is Often Considered in Designing for Lateral Stability, by Sabin Crocker ..... May 110

How Do Wind Loads Affect Stability of Pipe Supports?—Is Stability Condition Critical? How Much Expense Is at Stake? by Charles S. Parker ..... June 94

How Do Wind Loads Affect Stability of Pipe Supports?—Wind Conditions Are Design Bases for Supports' Structural Components, by H. B. Wayne ..... June 92

In Plant Operation Maintenance Is Key to Big Savings through Cooperation, Planning ..... April 120

Interpret Pressure Piping Code ..... April 126

Nuclear Power Piping Codes Progress Toward Standardization as Brought out at 1958 Nuclear Congress, by V. T. Malcolm and Sidney Low ..... May 132

Pipe Welding Terms Defined, by Helmut Thielsch ..... November 133

Pipe Welding Terms Defined, by Helmut Thielsch ..... December 123

Piping System Models Aid Design

Communication, by G. P. Hammond ..... July 69
Protection Saddles Prove Important Piping Addition, by G. W. Hauck ..... January 191
Submerged Arc Pipe Welding Equipment Saves Labor Costs . . . say contractors at Mechanical (HPAC) Contractors Panel Session ... August 92
Unusual Technique Creates Extremely High Vacuums for Research, Industrial Applications ..... December 122
What Can Be Done to Combat Failures in Nuclear Piping? by V. T. Malcolm and Sidney Low ..... June 112
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim ..... January 160
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim, January 1958—discussion on by L. E. Partch ..... February 68
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim ..... February 87
When Planning a Maintenance Pipe Welding Job, by Ray M. Kolb ..May 122

Air & Gas

Beware of "Phantom" Organizations, by William Hurd Hillyer ....October 100
Compressed Air Pipe Sizing ....January 188
Here Are Fundamentals of Conditioning Compressed Air, for Industrial Piping Services, by Frank D. Ross ..... July 99
Here Are Fundamentals of Conditioning Compressed Air, July, 1958 and Increase Compressed Air Efficiency Through Mechanical Refrigeration, August, 1958, by Frank D. Ross—discussion on by C. T. Baker ..... October 63
How to Convert Free Air Volumes to Compressed Air Equivalents, by J. F. Walters ..... April 131
How to Find Pressure Drop, Select Best Pipe Size for Compressed Air Piping, by J. F. Waters ....February 105
Increase Compressed Air Efficiency Through Mechanical Refrigeration, by Frank D. Ross ..... August 122
Safety Cuts Maintenance Costs in Pressure or Temperature Regulating Stations for Control of Steam and Other Gases, by E. Grafe .....June 122

Oil

Jet Fuel Piping Delivers 1200 Gpm to "Stratofort", by R. H. Schairer ..... September 113
Jet Fuel Piping Delivers 1200 Gpm to "Stratofort," by R. H. Schairer, September, 1958—discussion on by C. T. Baker ..... November 87
New Toll Plaza Snow Melting System Keeps Skyway Traffic Moving, by Gordon W. Neal ..... September 140
Snow Melting Needs of Super Highways to Spur Trend to Big Piping Installations as Evidenced by Chicago Skyway Job ..... May 103

Process Liquids

Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems, by Edwin A. Wert ..... September 130
Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems, by Edwin A. Wert ..... October 86
Check Requirements, Design Factors When Choosing Piping Materials, by O. N. Dudkin and F. F. Pfeiffer ..... March 125
Food Process Operations Demand Maze of Piping, by Roy M. Lazar ..... March 105
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—discussion on by C. T. Baker ..... April 86
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—discussion on by A. C. Kirkwood ..... October 61
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—Author Replies to Comments by A. C. Kirkwood, October, 1958 ..... October 61
GE's 'Mill Water' Piping Saves $500,000 a Year, by John Vonderheide ..... December 94
How to Avoid Piping Corrosion In Nuclear Reactor Plants, by W. Z. Friend ..... December 105
How the Ford Reactor Operates ..... August 108
How to Prevent Weld Failures In Nuclear Power Piping, by V. T. Malcolm and Sidney Low ..... July 106
Interpret Pressure Piping Code ....July 90
Jet Fuel Piping Delivers 1200 Gpm to "Stratofort", by R. H. Schairer ..... September 113
Jet Fuel Piping Delivers 1200 Gpm to "Stratofort," by R. H. Schairer, September, 1958—discussion on by C. T. Baker ..... November 87
Light Wall Stainless Steel Piping Saves Time, Money in Chemical Process Installation ..... September 147
New Cars Get Paint Jobs Via 25 Miles of Silver Brazed Lightweight Piping ..... November 122
Nuclear Power Piping Codes Progress Toward Standardization as Brought out at 1958 Nuclear Congress, by V. T. Malcolm and Sidney Low ..... May 132
PVC Piping Proves Maintenance-Free In Pickle Plant Operation After Four Year's Uninterrupted Service, by L. J. Turney ..... July 83
What Can Be Done to Combat Failures in Nuclear Piping? by V. T. Malcolm and Sidney Low ..... June 112
What to Consider When Designing Piping for Nuclear Processes, by W. R. Dunbar, W. K. Luckow, and J. L. Shapiro ..... August 107

Refrigerant

Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems, by Edwin A. Wert ..... September 130
Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems, by Edwin A. Wert ..... October 86
Case Histories from a Consulting Engineer's File—The Case of the Stubborn Purger, by C. T. Baker .... October 89
Interpret Pressure Piping Code ....July 90
Miles of Steel Piping Maintain Ice At Air Temperatures to 55 F in one of the largest outdoor ice skating rinks in the U.S., by Louis L. Hamig .... March 116
Oil Collecting Pot Aids Operation, by C. T. Baker ..... July 98
Plastic Piping Serves Portable Ice Rink ..... February 83
Sound Contract Stands Up in Court, by William Hurd Hillyer ..... September 149
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim ..... January 160
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim, January 1958—discussion on by L. E. Partch ..... February 68
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim .... February 87

Steam

Accessories Improve Steam Trap Arrangement, by G. W. Hauck ..... February 79
Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems, by Edwin A. Wert ..... September 130
Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems, by Edwin A. Wert ..... October 86
Air Vents Would Have Exhaled, Diluted Corrosive Gases to Prevent Steam Line Deterioration, by Samuel R. Lewis ..... December 111
At What Rate Should Steam Lines be Heated to Avoid Damage? November, 1957—discussion on by T. H. Rea ..... January 142
Calculating Pipe Stress Efficiently, by K. Hao Hsiao ..... January 172
Check Requirements, Design Factors When Choosing Piping Materials, by O. N. Dudkin and F. F. Pfeiffer ..... March 125
Don't Neglect the Lowly Drip Pocket: A Valuable Piping Accessory for Condensate Removal in Steam Piping Systems, by G. W. Hauck ..... March 134
Food Process Operations Demand Maze of Piping, by Roy M. Lazar ..... March 105
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—discussion on by C. T. Baker ..... April 86
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—discussion on by A. C. Kirkwood ..... October 61
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—Author Replies to Comments by A. C. Kirkwood, October, 1958 ..... October 61
How to Avoid Piping Corrosion In Nuclear Reactor Plants, by W. Z. Friend ..... December 105
Ingenious Construction Scheme Hoists Steam Lines Skyward, by E. W. Winchester ..... January 153
Many Factors Must Be Juggled to Arrive at Most Suitable Power Piping Design, by Frank M. Kamarck ..... November 95
Preventive Maintenance Program Guarantees Continuous Steam ..November 108
Safety Cuts Maintenance Costs in Pressure or Temperature Regulating Stations for Control of Steam and Other Gases, by E. Grafe ....June 122
Seek Solution to Problem of Ductility in Steam Piping, by R. W. Emerson

and R. W. Jackson .....February 97
Steam Flow Rates For Power Piping, by Hugh Welshman, Jr. ....January 181
Temporary Power Piping Is Tool to Speed Power Plant Completion by Permitting Testing of Equipment, Components Prior to Operation, by J. A. Donald, N. A. Miller, and C. D. Blancke .....May 142
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim .....January 160
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim, January 1958—discussion on by L. E. Partch .....February 68
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim .....February 87

Water

Air Condition New Building Via Cellular Steel Floor, by Samuel Sachs .....June 97
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop .....April 99
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop, April, 1958—discussion on by C. M. Sterne ..May 107
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop, April, 1958—Author Reply to Comments by C. M. Sterne, May, 1958 .....May 107
GE's 'Mill Water' Piping Saves $500,000 a Year, by John Vonderheide .....December 94
Hot Water Booster Heaters: What Every User Should Know, by E. Spencer, November 1957—discussion on by R. A. Parsons ..February 68
Hot Water Booster Heaters: What Every User Should Know, by E. Spencer, November 1957—Author Replies to Comments by R. A. Parsons, February, 1958 ....February 68
Many Factors Must Be Juggled to Arrive at Most Suitable Power Piping Design, by Frank M. Kamarck .....November 95

BUILDING TYPE INDEX

Fundamental To All Buildings

ABS Plastic Pipe Standards Proposed .....November 84
ASA Approves Revisions of Butt Welding Standards .....October 58
Accessories Improve Steam Trap Arrangement, by G. W. Hauck .....February 79
Addresses of Engineering Societies, Associations .....June 135
Ads to Inform Prospects of Air Conditioning Costs .....August 74
Air Conditioning, by Cloud Wampler .....February 64
Air Conditioning Industry To Hold 1957 Sales Level .....February 64
At What Rate Should Steam Lines be Heated to Avoid Damage? November, 1957—discussion on by T. H. Rea .....January 142
Bid Shopping Bill Dangerous to Both Contractors, Union .....July 74
Big Air Conditioning Up 15 Percent in 1957 over 1956 .....April 81
Big Boom Is on the Way Need Engineer-Executives to Fill Top Level Jobs .....December 110
Breather Pipe to Outdoors Vents Valve Air Pocket to Keep Diaphragm Valve Operating When Handling Low Pressure Gas, by Samuel R. Lewis .....June 134
Building Contract Trend Indicates Rosy Future .....November 83
Building Outlay Reflects Year-End Seasonal Decline .....January 137
Building Picture Brightens; Contracts Up 4 Percent over April last year .....July 55
Buyer Must Fix Blame for Defects, by William Hurd Hillyer .....April 130
Calculating Pipe Stress Efficiently, by K. Hao Hsiao .....January 172
Central Air Conditioning Shows Gain in New York City .....June 86
Competition + Instructor Training = Skilled Pipe Fitters for HPAC Industry .....October 73
Compressor Shipments Off But Larger Units Gain .....May 104
Consider Altitude Factor In Designing Hot Water Heating, by John J. Blank .....March 114
Construction Contracts Continue Upswing .....October 57
Construction Contracts for 1957 Increase 2 Percent Over Year Earlier Total .....March 92
Construction Contracts Off 12 Percent in March .....June 86
Construction Cost Index 2nd Quarter Up 6 Points .....September 93
Construction Cost Index Shows 2 point Increase in Fourth Quarter, 1957 .....March 92
Construction Industry Bolsters National Economy .....October 57
Construction Outlay Up "As Usual" in March .....May 103
Construction Outlay Up 3 Percent in January, 1958 .....March 91
Construction Spending Maintains Record Level in January, February .....April 81
Contract Must Protect Against Loss, by William Hurd Hillyer ....June 109
Contractor Reports Plan to Install HPAC Systems on Lease Basis .....November 119
Cost of Steam Using Coal as Fuel, by Irving E. Brooke .....January 186
Cost of Steam Using Gas as Fuel, by Irving E. Brooke .....January 184
Cost of Steam Using Oil as Fuel, by Irving E. Brooke .....January 185
Cut Heating Cost 68 Ways—Checklist Shows How, by Willie Hammer .....January 189
Determining Cost of Air Conditioning, by Harry L. Baker, Jr. .....January 187
Determining When Pump Should Be Replaced, by C. E. Cromwell .....January 180
Don't Neglect the Lowly Drip Pocket: A Valuable Piping Accessory for Condensate Removal in Steam Piping Systems, by G. W. Hauck .....March 134
Do You Know Enough About Contracts? by Earl W. Mounce and Robley D. Stevens .....January 170
Engineers Council Adopts New Statement of Ethics .....June 85
Engineers Probe Management Problems, Iron Out Matters of Common Interest at University of Wisconsin Seminar, by Harry J. Scharres .....September 148
Establish Color Code for Instrument Tubing .....April 82
Exhaust Lines Relieve Tower, by C. T. Baker .....July 98
Fan, Compressor Motors Use Same Capacitor to Improve Power Factor .....January 138
5th Apprentice Contest Set for August 10-15 at Purdue University ....June 86
4 Steps to Air Conditioning Design, by F. W. Hutchinson .....January 176
4 Steps to Air Conditioning, by F. W. Hutchinson .....February 92
Freezing in Towers, Condensers Poses Serious Problem During Winter Operation .....February 98
Fuel Oil: What Every Heating Engineer Should Know, by Willie Hammer .....December 112
Future Building Contracts Show 10 Percent Decrease for February ..May 103
Future Construction Contracts Show Decline .....April 81
Garden of Eden Climate Cited as Man's Ideal at Climate Design Conference .....February 63

Gas Industry Sales Ahead of Slack Industrial Pace ..... September 94
Gas Sales to Industries Show 4.1 Percent Gain ..... October 58
Gas Sales, Revenues Reach Record Highs During 1957 ..... May 104
Gas Utility, Pipe Line Sales Show Annual Gain ..... November 84
Here Are More Ways to Build Reliable, Efficient Library, by H. B. Wayne ..... December 84
Here's How to Figure Infiltration Due to Stack Effect When Calculating Building Heat Loads, by Ralph J. Abramson ..... December 103
Here's Short Cut To Pipe Line Erection Estimating, by James H. Shaw ..... June 101
High Temperature-High Pressure Hot Water Heating Must be Understood, by Harold A. Lockhart ..... August 95
High Temperature-High Pressure Hot Water Heating Must be Understood, by H. A. Lockhart, August, 1958 — discussion on by E. G. Hansen ..... October 63
High Temperature Hot Water, by J. R. Kell ..... January 188
Hot Water Booster Heaters: What Every User Should Know, by E. Spencer, November 1957 — discussion on by R. A. Parsons ..February 68
Hot Water Booster Heaters: What Every User Should Know, by E. Spencer, November 1957 — Author Replies to Comments by R. A. Parsons, February, 1958 .....February 68
How to Convert Free Air Volumes to Compressed Air Equivalents, by J. F. Waters ..... April 131
How to Cut Cooling Costs, by Willie Hammer ..... July 109
How to Cut Cooling Costs, by Willie Hammer, July, 1958 — discussion on by Ralph S. Segall ....September 103
How to Determine Tank Capacities, by Willie Hammer ..... March 143
How to Figure Duct Fitting Losses, by James A. Hodde .....September 151
How to Find Equivalent Lengths of Elbows in Rectangular Ducts, by Julian T. Eubanks, December, 1957 — discussion on by Guy A. Voorhees ..... March 97
How to Find Equivalent Lengths of Elbows in Rectangular Ducts, by Julian T. Eubanks, December, 1957 — Author Replies to Comments by Guy A. Voorhees, March, 1958 ..... March 97
How to Find Equivalent Lengths of Elbows in Rectangular Ducts, by Julian T. Eubanks, December, 1957 and comments on this article by Guy Voorhees and Julian T. Eubanks, March, 1958 — discussion on by David W. Locklin .....May 108
How to Make Rough Estimates of Building Heat Losses, by Mario F. Muzzillo and Basil J. Candela May 155
How Many Manhours Required For HPAC Installation Work? — Personnel, Work Area, Accessibility Govern Installation Manhour Output, by H. B. Wayne .....March 100
How Much Gas to Heat Water? by Merlin Savage, Jr. .....August 125
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens ..... April 112
How to Prevent Unbalance in Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens ..... May 138
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens ..... June 119
How to Prevent Unbalance in Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens — April, May, June, 1958 — Source of Illustrations Acknowledged ..... July 62
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg ..... June 124
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg, June, 1958 — discussion on by J. W. Turner .....November 87
How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg, June, 1958 — Author Replies to Comments by J. W. Turner, November, 1958 ..... November 88
How to Space Supports for Steel Pipe, by George Metry .....January 197
How Temperature, Pressure, Pump Power are Related in HTHP Hot Water Systems .....August 96
Industrial Gas Sales Decreases 4.6 Percent Under Last March .....July 56
Interpret Pressure Piping Code ..April 126
Interpret Pressure Piping Code .....July 90
Ions' Role in Air Conditioning Takes on New Importance, by John C. Beckett ..... January 165
Ions' Role in Air Conditioning Takes on New Importance, by John C. Beckett, January, 1958 — discussion on by John T. Cartland ..April 85
Ions' Role in Air Conditioning Takes on New Importance, by J. C. Beckett, January, 1958 — Author Replies to Comments by John T. Cartland, April 1958 .....April 85
June Building Contracts Continue May's Surge .....September 93
Know Your Arbitration Clause, by William Hurd Hillyer .....March 142
Lack of Air Conditioning Is Expensive Commodity .....January 137
Launch Certification for Unitary Conditioners Under ARI-NWAHACA Co-op .....December 78
MCAA, NAPC Study Merger ....June 85
MCAA Study Committee Lays Merger Groundwork .....September 94
Maintenance Contract Stressed as Sales Tool at RACCA Convention ..... January 137
Man's Days Numbered Unless He Mends His Ways, Doctor Tells APCA .....December 78
Market Survey Predicts Air Conditioning Growth — 20 Percent Increase in '58 .....June 85
May Building Contracts Break All-Time Record Highest Ever for Single Month .....August 73
Mechanical (HPAC) Contractors Defer Action on Merger .....July 72
NDHA Hears How . . . Absorption System Cools 27-year-old Building; University Expansion has Upped Consumption; Meter Bearing Failures Can be Prevented; Underground Corrosion is Controlled, by John F. Collins, Jr. .....October 94
NDHA Hears How — Leaks in Condensate Lines Can Be Detected; Rented Controls Improve Operation; Maintenance Costs Can Be Cut; Use of Steam for Air Conditioning Is Increasing; Sales Can Be Boosted through Cost Comparisons by John F. Collins, Jr. ..... September 121
NEMA Gives IRS Position on Proposed Rule Changes Affecting Room Air Conditioners ..November 83
National Library Week in March .... March 92
Natural Gas Reserves Continue to Climb .....April 82
New Chart Sizes Ducts Directly By Static Regain Method, by R. Jorgensen .....October 107
New District Steam Users Stabilize '57 Volume, Sales Reports NDHA at 49th Annual Meeting, by John F. Collins, Jr. .....August 100
New Method Simplifies Predicting Noise Levels Created by Fans, Similar Equipment, by R. A. Gerlitz .... April 122
New Method Simplifies Predicting Noise Levels Created by Fans, Similar Equipment, by R. A. Gerlitz ..... May 150
New Method Simplifies Predicting Noise Levels, by R. A. Gerlitz, April and May, 1958 — discussion on by R. L. Hull .....July 59
New Method Simplifies Predicting Noise Levels, by R. A. Gerlitz, April and May, 1958 — Author Reply to Comments by R. L. Hull, July, 1958 ..... July 59
1957 Construction Hit Record $47.2 Billion .....February 63
1958: Will It Be a Good Year? ..... January 156
1959 Construction To Set New Record .....December 77
Offers Tips on Reducing Cost of Air Conditioning .....July 55
Pipe Welding Terms Defined, by Helmut Thielsch .....November 133
Pipe Welding Terms Defined, by Helmut Thielsch .....December 123
Planning to Use Water For Air Conditioning Design? by John Hoffman, August, 1957—discussion on by E. H. Harris .....January 142
Planning to Use Water For Air Conditioning Design? by John F. Hoffman, August, 1957—Author's Reply to Comments by E. H. Harris, January, 1958 .....January 142
Poor Maintenance by Owners: The Bane of Our Reputations ..December 102
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October, 1957—Author discusses comments by Lee P. Hynes and George G. Nash, November, 1957 .....January 141
Pressurized Firing: When, Where, How Do We Use It? by Robert W. Pixler, October 1957—Author Reply to comments by Kalman Steiner, November 1957 .....February 67
Remedy, Liability Not Synonymous, by William Hurd Hillyer .....July 105
Request ASA Standards for Heat Exchangers .....January 138
Research Reveals Rust Rates in U. S. Cities Highest in Industrial Centers .....October 85
Revised Curricula Needed for Balanced Education .....June 86
Safety Cuts Maintenance Costs in Pressure or Temperature Regulating Stations for Control of Steam and Other Gases, by E. Grafe ....June 122
See 5 Percent Increase in Dollar Outlay to $49.6 Billion Construction Total in 1958 .....January 157
See HTHW Terminology Redundant; Also, Why Call Equipment "Boilers?", by Erik B. J. Roos .....April 85
See HTHW Terminology Redundant; Also, Why Call Equipment "Boilers?" by Erik B. J. Roos, April, 1958—discussion on by J. F. Gschwind .....June 90

Simplification Answer to 'Why Johnny Hates Math' ....January 138
Sizing Ducts By Equal Friction Method, by Vincent J. Turecamo ....January 179
Submerged Arc Pipe Welding Equipment Saves Labor Costs . . . say contractors at Mechanical (HPAC) Contractors Panel Session ....August 92
Substitute Individual Heating Plants After Street Steam Was Shut Off, by Samuel R. Lewis ....May 149
Suggests Two Sets of Standards Be Adopted for Spec Writing, September 1957—discussion on by LeRoy E. Petersen ....February 67
Terminology for High Temperature Hot Water, by Erik B. J. Roos, April, 1958 and E. G. Hansen, July, 1958—discussion on by E. B. T. Tanner ....October 64
Terminology for High Temperature Hot Water, by E. G. Hansen, July 1958—discussion on by M. T. Way ....November 87
Terminology Should Distinguish Between Hot Water, Warm Water—discussion on by Leo De Bruyn ....December 80
Thermal Shock to Hot Water Boilers: Its Causes, Cures, by Bert Streeter ....January 168
36th OHI Convention Largest in History ....August 74
To Keep Air Conditioning Systems Operating—Combat Tower Water Dirt Buildup Through Good Housekeeping, by H. L. Shuldener, Jr. ....July 86
Ultraviolet-Sensing Tube Detects Fire, Vapors ....December 77
Unusual Technique Creates Extremely High Vacuums for Research, Industrial Applications ....December 122
Urges High Tariff On Copper Imports to Preserve Economy ....May 104
Utility Peak Load Reverses to Summer for First Time ....April 81
Vacuum Pump Would Have Prevented Costly Troubles of Heating System, by Samuel R. Lewis ....January 196
Vacuum Pump Would Have Prevented Costly Troubles of Heating System, by Samuel R. Lewis, January, 1958—discussion on by R. A. Parsons ....June 90
Vacuum Pump Would Have Prevented Costly Troubles of Heating System, by Samuel R. Lewis, January, 1958—Author Reply to Comments by R. A. Parsons, June, 1958 ....June 90
Ways to Cut Installation Costs of Heating, Air Conditioning Equipment, by Samuel R. Lewis ....March 127
What's Best Way to Set Up Technical Reference Library?—Depends More on Individual Needs Than on Any Standard Technique, by D. C. McCoy ....August 84
What's Best Way to Set Up Technical Reference Library?—Time Tested Technical Filing System Serves Busy, "Lazy" Engineer, by R. Ahern ....August 82
What's Best Way to Set Up Technical Reference Library?—Write To Special Libraries Association for Free Library Consulting Service, by Florence H. Armstrong ....August 84
What's Best Way to Set Up Technical Reference Library? August, 1958—discussion on by Eugene B. Jackson ....October 64
What Causes Oily Soot Problem In High Velocity Air Conditioning?—Check Electronic Air Filter Operation, Condition of Bearings, Oil Sources, by Larrie L. Isenring ....April 88
What Causes Oily Soot Problem in High Velocity Air Conditioning?—Ducts May Have Small Perforation Permitting Entrance of Oily Air by H. B. Wayne ....April 92
What Causes Oily Soot Problem in High Velocity Air Conditioning?—How One Company Found Solution To Its Soot Accumulation Problem, by George H. Cantrell ....July 66
What Causes Oily Soot Problem in High Velocity Air Conditioning?—Use Dry Type Prefilter Arrangement So Soot Stays Dry, Doesn't Stick, by E. C. Grant ....July 64
What Causes Oily Soot Problem in High Velocity Air Conditioning? April, 1958—discussion on by Arthur Nutting ....August 80
What Causes Soot Problem in High Pressure Air Conditioning, September, 1957—discussion on by Clifford S. Stephens ....January 141
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim ....January 160
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim, January 1958—discussion on by L. E. Partch ....February 68
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim ....February 87
What to Consider When Selecting a Centrifugal Refrigeration Compressor, by Harry Griese, Jr. ....January 192
What Is Correct Pump Head For Cooling Tower Piping?—All That Is Needed Is Check Valve, Friction Loss, Defined Pumping Head, by Raymond C. Kelly ....October 66
What Is Correct Pump Head For Cooling Tower Piping?—Find Net Static Head; Add Losses Through Pipe, Valves, Fittings, Coils, by W. J. McGinley ....November 90
What Is Correct Pump Head for Cooling Tower Piping?—Head Depends on Size of Piping, Velocity of Water Through It, by John Belunas ....October 66
What Is Correct Pump Head For Cooling Tower Piping?—Head = Resistance of Flow in Piping + Lift + Condenser Resistance, by Jake Cuthbert ....December 86
What Is Correct Pump Head for Cooling Tower Piping?—Height Differences, Friction Losses Determine Startup, Operating Head, by Harold Bumpus ....November 90
What is Correct Pump Head For Cooling Tower Piping?—Pump Head = Friction + Combined Static Head, Maximum Pressure Drop, by William M. Bunting ....November 92
What is Correct Pump Head For Cooling Tower Piping?—Reverse Return System Preferred, Since It Facilitates Balancing, by Antonio Di Lorenzo ....October 68
What is Correct Pump Head For Cooling Tower Piping?—Some Earlier Answers Overlooked One Vital Factor: Heads Won't Balance, by Per Eskilson ....December 88
What is Correct Pump Head For Cooling Tower Piping?—Sufficient Head Must Be Provided To Raise Water Level to 175 Ft, by S. A. Littmann ....December 88
What to Look For in a Valve for Hot Water Heating Control, by W. G. Young ....November 130
What Vapor Transmission Rules Apply When Planning for Dehumidification? ....January 144
What Vapor Transmission Rules Apply When Planning for Dehumidification? — Derive Vapor Transmission Rates for Steady-, Unsteady-State Condition, by H. B. Wayne ....February 70
What Vapor Transmission Rules Apply When Planning for Dehumidification?—Extend Principles for Small Openings to Compute Larger's Transfer Rate, by E. R. Queer ....January 144
What Vapor Transmission Rules Apply When Planning for Dehumidification?—Vapor Pressure Change Negligible If Door Is Not Open Too Long, by Stuart Giles ....February 70
What Vapor Transmission Rules Apply When Planning for Dehumidification? In January and February 1958 issues—discussion on by Walter E. Ellis ....April 82
What to Watch For When Insulating Air Conditioning Systems, by Charles F. Gilbo ....August 110
What to Watch For When Insulating Air Conditioning Systems, by Charles F. Gilbo, August, 1958—discussion on by James H. Shaw ....September 102
What to Watch For When Insulating Air Conditioning Systems, by Charles F. Gilbo, August, 1958—Author Replies to Comments by James H. Shaw, September, 1958 ....December 84
When Delegating Jobs, Choose Right Employees ....November 84
When Planning a Maintenance Pipe Welding Job, by Ray M. Kolb ....May 122
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea ....April 104
Why Steam Coils Freeze and How to Combat this Problem, by H. W. Alyea ....May 127
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958—discussion on by W. B. Buck ....December 82
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958—Author Replies to Comments by W. B. Buck, December, 1958 ....December 84
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea, April and May, 1958—discussion on by Lewis Smith ....September 98
Why Steam Coils Freeze and How to Combat This Problem, by H. W. Alyea—Author Replies to Comments by Lewis Smith, September, 1958 ....September 102
World's Fair 'Real Cool' for Tourists, Displays ....September 94

COMMERCIAL BUILDINGS

Apartments

Beware of "Phantom" Organizations, by William Hurd Hillyer ....October 100
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens .....April 112
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens .....May 138
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens .....June 119
How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens—April, May, June 1958—Source of Illustrations Acknowledged .....July 62
In Small Apartments, Motels Low Pressure Steam Zone System Meets Varied Heating Demands, by Paul S. Amber and George H. Amber .....July 103
Sheet Metal Ducts Are Solution To Critical Stack Effect Problem In Balancing Heating for Multistory Apartment Buildings, by Lewis Smith .....June 130
Sheet Metal Ducts Are Solution to Critical Stack Effect Problem In Balancing Heating for Multistory Apartment Buildings, by Lewis Smith, June, 1958—discussion on by Erwin L. Weber .....September 103
Sheet Metal Ducts Are Solution to Critical Stack Effect Problem in Balancing Heating for Multistory Apartment Buildings, by Lewis Smith, June, 1958—discussion on Erwin L. Weber's comments, September, 1958, by Lewis Smith .....November 87

Hotels and Clubs

Case Histories from a Consulting Engineer's File—Floor Design Boosts Cooling Load, by C. T. Baker .....October 89
Contractor's Bookkeeping Shortcut Proves Expensive Proposition, by William Hurd Hillyer .....February 104
18 Zone Cooling Modernizes a 9 Story Hotel, August, 1957—discussion on by Michael W. Wasell .....August 77
18 Zone Cooling Modernizes a 9 Story Hotel, August 1957—Manager of Hotel Leland replies to comments of Michael W. Wasell, August, 1958, James P. Bolinger .....August 77
High Velocity System Solves Hotel's Modernization Puzzle, by Thomas Gressett .....April 95
In Small Apartments, Motels Low Pressure Steam Zone System Meets Varied Heating Demands, by Paul S. Amber and George H. Amber .....July 103
Modernization is Answer to Hotel's Heating, Cooling Problems, by Lewis Smith .....February 94
Natural Gas Absorption System Selected for New Motel .....June 121

Offices

Air Condition New Building Via Cellular Steel Floor, by Samuel Sachs .....June 97
Air Conditioning Modernizes 15-Story Office Building, by William R. Eriksen .....May 136
Big Building Air Conditioning Demands Modern Control for Varied Temperature, Humidity Needs, by John E. Haines .....May 147
Big Spokane Heat Pump Reports Efficient, Economical Operation .....September 150
Boilers, Compressors Go "Top Side" in Newest Newspaper Plant .....February 84
Consulting Engineer's Day a Busy One, by Samuel R. Lewis ....August 97
Corridor Duct Supplies Evaporatively Cooled Air Through Office Transoms in Old Building .....February 99
Dehumidification Serves Comfort Air Conditioning, by Theo F. Rockwell and J. A. Sheahan .....May 115
False Economies Such As This Are Expensive in the Long Run, by Samuel R. Lewis .....November 111
Fan-Coil System Completes Cooling of Existing Office Building; by M. F. Stearn and Robert Masamitsu .....July 76
How An Office Building's Occupancy Affects Its Air Conditioning Design . . . Three New Manhattan Skyscrapers Show How a Building's Purpose Often Outweighs Its Structure in Choosing a System Layout, by Lewis Smith .....October 82
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson .....August 103
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson .....October 90
How to Select Right Air Conditioning System for Multi-Story Building, by M. J. Wilson .....November 116
I Changed Pump Connections to Solve Hot Water Heating Problem, Save Fuel, by Samuel R. Lewis .....September 133
Installations Show How Gas Engines Drive Air Conditioning Systems, by Robert S. Curl and Robert C. Marsh .....September 144
New Air Distribution Technique Hides Diffusers Above Ceiling To Give Office Areas a New Look, by Robert B. Hupper .....December 91
New York City Cooled Office Space Passing 50 Percent Mark . . . Contractor's Survey Shows ....December 78
Should Air Be Recirculated After Cooling Electric Office Machines?—Consider Supply, Exhaust Methods for Cooling Office Machines, by D. E. Wendel .....September 106
Should Air Be Recirculated After Cooling Electric Office Machines?—Evaluate Total Operating Expense and Make Decision Accordingly, by H. B. Wayne .....September 106
Should Air Be Recirculated After Cooling Electric Office Machines?—Recirculate Air By Mixing It With Sufficient Outside Air, by Milton Dormont .....September 104
System Stingy with Outdoor Air, by C. T. Baker .....July 97
Unseen Apparatus Marks Air Conditioning Trend for New Office Buildings .....July 55
Unusual Structural Layout Demands Unique Air Conditioning Design, by William Hurd Hillyer ....August 98
What Does Gas Air Conditioning Cost? Absorption System and Steam Turbine Driven Compressor System, by H. Campbell Stuckeman .....December 109

Restaurants, Stores & Theaters

HTHW System Tailor-Made to Meet Shopping Center's Design Limitations, by Richard J. Bush November 112
Misplaced Air Intake Costly, by C. T. Baker .....July 97
Revolving Heaters Solve Arena's Heating Problem .....October 97
Steam Heats, Cools New Arena and Theater, by George L. Dahl ....April 115

Other Commercial Buildings

Freezing Air Heats Northern Lab, by Joseph R. Campbell and Sheridan A. Yondt .....August 89
How to Design Controlled Environment For Best Greenhouse Growing Conditions, by Lewis Smith .....December 98
Huge HTHW System Supplies Unique Heating-Cooling Operation at New York International Airport, by William T. O'Reilly .....February 75
Huge HTHW System Supplies Unique Cooling-Heating Operation at New York International Airport, by William T. O'Reilly .....March 132
Huge HTHW System Supplies Unique Heating-Cooling Operation at New York International Airport, by William T. O'Reilly, February and March, 1958—correction in terminology .....June 90
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters .....March 122
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—discussion on by Everett P. Palmatier .....July 62
Maintenance, First Cost Analyses Favor Heat Pump Installation for New Telephone Exchange Building, by John M. Kearney and Herbert Peters, March, 1958—Authors Reply to Comments by Everett P. Palmatier, July, 1958 .....July 62
New Toll Plaza Snow Melting System Keeps Skyway Traffic Moving, by Gordon W. Neal .....September 140
Snow Melting Needs of Super Highways to Spur Trend to Big Piping Installations as Evidenced by Chicago Skyway job .....May 103
Sometimes We Design for Discomfort . . . a Steam Room, for Example, by Samuel R. Lewis .....October 81

Sound Contract Stands Up in Court, by William Hurd Hillyer ..... September 149
Steam Heats, Cools New Arena and Theater, by George L. Dahl ..April 115
Swedish Air Raid Shelter Ventilation Designed for Atomic War Emergency, by Axel Rosell ....September 136
Unusual Ductwork, Piping Follow Round Contour Control Tower ..... November 128

INDUSTRIAL BUILDINGS

Air Conditioning: Hidden Tool in Modern Aircraft Design, by E. W. Winchester ..... March 110
Air Conditioning Is Tool In Electronics Growth ..... August 74
Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems, by Edwin A. Wert ..... September 130
Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems, by Edwin A. Wert ..... October 86
Air Pollution Data Provided by Gas Tagging Technique which Exposes Guilty Plant ..... March 92
Air Vents Would Have Exhaled, Diluted Corrosive Gases to Prevent Steam Line Deterioration, by Samuel R. Lewis ..... December 111
Boilers, Compressors Go "Top Side" in Newest Newspaper Plant ..... February 84
Bright Horizon Pictured at 23rd Power Show ..... November 83
Calculating Pipe Stress Efficiently, by K. Hao Hsiao ..... January 172
Case Histories from a Consulting Engineer's File—The Case of the Stubborn Purger, by C. T. Baker ..... October 89
Check Requirements, Design Factors When Choosing Piping Materials, by O. N. Dudkin and F. F. Pfeiffer ..... March 125
Compressed Air Pipe Sizing ..... January 188
Consulting Engineer's Day a Busy One, by Samuel R. Lewis ....August 97
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop ..... April 99
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop, April, 1958—discussion on by C. M. Sterne ..May 107
Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop, April, 1958—Author Reply to Comments by C. M. Sterne, May, 1958 ..... May 107
Design for Flexibility to Serve Plant's Heating, Cooling Needs, by E. H. Roper ..... July 83
Don't Neglect the Lowly Drip Pocket: A Valuable Piping Accessory for Condensate Removal in Steam Piping Systems, by G. W. Hauck ..... March 134
Employee Turnover Down in Air Conditioned Plants ..... March 91
Fallout Studies Supply Air Pollution Information ..... May 104
Find Solution; But Who Pays?, by C. T. Baker ..... July 98
Food Process Operations Demand Maze of Piping, by Roy M. Lazar ..... March 105
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—discussion on by C. T. Baker ..... April 86
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—discussion on by A. C. Kirkwood ..... October 61
Food Process Operations Demand Maze of Piping, by Roy M. Lazar, March, 1958—Author Replies to Comments by A. C. Kirkwood, October, 1958 ..... October 61
Freezing Air Heats Northern Lab, by Joseph R. Campbell and Sheridan A. Yondt ..... August 89
GE's 'Mill Water' Piping Saves $500,000 a Year, by John Vonderheide .. December 94
Gear Covers, Valve Indicators Prove Valuable Piping Accessories, by G. W. Hauck ..... April 119
Here are Fundamentals of Conditioning Compressed Air, for Industrial Piping Services, by Frank D. Ross ..... July 99
Here Are Fundamentals of Conditioning Compressed Air, July, 1958 and Increase Compressed Air Efficiency Through Mechanical Refrigeration, August, 1958, by Frank D. Ross—discussion on by C. T. Baker ..... October 63
Here's Short Cut To Pipe Line Erection Estimating, by James H. Shaw ..... June 101
How to Avoid Piping Corrosion In Nuclear Reactor Plants, by W. Z. Friend ..... December 105
How to Find Pressure Drop, Select Best Pipe Size for Compressed Air Piping, by J. F. Waters ....February 105
How the Ford Reactor Operates ..... August 108
How Not to Design Plant Cooling, by Samuel R. Lewis ..... April 129
How to Prevent Unbalance in Hot Water Heating by Careful Design, Proper Installation, by T. Robert Stevens ..... May 138
How to Prevent Weld Failures In Nuclear Power Piping, by V. T. Malcolm and Sidney Low ..... July 106
How Underground Workshops are Made Livable, by Axel Rosell ..... March 118
How Underground Workshops are Made Livable, by Axel Rosell, March, 1958—discussion on by Thomas H. Urdahl ..... April 86
How Do Wind Loads Affect Stability of Pipe Supports?—Effect of Wind Is Often Considered in Designing for Lateral Stability, by Sabin Crocker ..... May 110
How Do Wind Loads Affect Stability of Pipe Supports?—Is Stability Condition Critical? How Much Expense Is at Stake? by Charles S. Parker ..... June 94
How Do Wind Loads Affect Stability of Pipe Supports?—Wind Conditions Are Design Bases for Supports' Structural Components, by H. B. Wayne ..... June 92
Ice Warms, Cools Mine Ventilation Air ..... June 132
In Plant Operation Maintenance Is Key to Big Savings Through Cooperation, Planning ..... April 120
In Plant Operation Maintenance Is Key to Big Savings Through Cooperation, Planning ..... May 144
Increase Compressed Air Efficiency Through Mechanical Refrigeration, by Frank D. Ross ..... August 122
Industrial Ventilation: How Are Built-Up Systems Designed? by John H. Clarke ..... August 117
Industrial Ventilation: How Are Built-Up Systems Designed? by John H. Clarke ..... September 125
Industrial Ventilation: How Are Built-Up Systems Designed? by John H. Clarke ..... October 101
Industrial Ventilation: How to Design for Heat Recovery, by John H. Clarke ..... November 123
Industrial Ventilation: How Is It Designed? by John H. Clarke .....June 104
Industrial Ventilation: How Is It Designed? by John H. Clarke, June, 1958—discussion on by H. P. Kaulfuss ..... September 97
Industrial Ventilation: How Is It Designed? by John H. Clarke, June, 1958—Author Replies to Comments by H. P. Kaulfuss, September, 1958 ..... September 97
Industrial Ventilation: How Is Its Equipment Selected?, by John H. Clarke ..... July 91
Ingenious Construction Scheme Hoists Steam Lines Skyward, by E. W. Winchester ..... January 153
Interpret Pressure Piping Code ....July 90
Jet Fuel Piping Delivers 1200 Gpm to "Stratofort", by R. H. Schairer .... September 113
Jet Fuel Piping Delivers 1200 Gpm to "Stratofort," by R. H. Schairer, September, 1958—discussion on by C. T. Baker ..... November 87
Light Wall Stainless Steel Piping Saves Time, Money in Chemical Process Installation .....September 147
Many Factors Must Be Juggled to Arrive at Most Suitable Power Piping Design, by Frank M. Kamarck ..... November 95
Multiple Plant's HTHW System Provides Direct Heating, Supplies Low Temperature Hot Water, Furnishes Process Steam, September, 1957—discussion on by W. F. Chinery .... June 89
New Cars Get Paint Jobs Via 25 Miles of Silver Brazed Lightweight Piping ..... November 122
Nuclear Power Piping Codes Progress Toward Standardization as Brought out at 1958 Nuclear Congress, by V. T. Malcolm and Sidney Low .... May 132
Oil Collecting Pot Aids Operation, by C. T. Baker ..... July 98
PVC Piping Proves Maintenance-Free In Pickle Plant Operation After Four Year's Uninterrupted Service, by L. J. Turney ..... July 88
Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957 and Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, by C. F. Mowrey—discussion on by C. F. Mowrey ..... June 89
Panel Heating, Cooling System Simulates Variety of Load Conditions for Testing Electric, Electronic Control Performance, by W. G. Young ..... August 115
Pipe Welding Terms Defined, by Hel-

mut Thielsch .....November 133
Pipe Welding Terms Defined, by Helmut Thielsch .....December 123
Piping System Models Aid Design Communication, by G. P. Hammond .....July 69
Place New Importance on Design of Industrial Air Supply Systems, by John H. Clarke .....April 116
Preventive Maintenance Program Guarantees Continuous Steam ..November 108
Protection Saddles Prove Important Piping Addition, by G. W. Hauck .....January 191
Quality Book Paper Manufacture Needs Quality Ventilation, Heating, by G. P. Patterson .....November 105
Report New Method for Studying Air Pollution, by H. Gardner Bourne, Jr. .....March 139
Roof Ventilation Formula Aids Plant Fire Control .....August 102
See Increase in Factory Comfort in '58 Reflecting '57 Sales Trend ....April 82
Seek Solution to Problem of Ductility in Steam Piping, by R. W. Emerson and R. W. Jackson .....February 97
'Spot' Cooling Boosts Morale, Worker Output in Hot Industries .....July 56
Steam Flow Rates For Power Piping, by Hugh Welshman, Jr. .....January 181
Subcontractor Stung by Valid Contract, by William Hurd Hillyer .....November 129
Submerged Arc Pipe Welding Equipment Saves Labor Costs . . . say contractors at Mechanical (HPAC) Contractors Panel Session ....August 92
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl .....April 108
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl, April, 1958—discussion on by A. R. Behnke .....May 108
Success of Underground Structures Depends on Air Conditioning, by Thomas H. Urdahl, April, 1958—discussion on by Axel Rosell ..May 107
Temporary Power Piping Is Tool to Speed Power Plant Completion by Permitting Testing of Equipment, Components Prior to Operation, by J. A. Donald, N. A. Miller, and C. D. Blancke .....May 142
Underground Test Chamber Provides Heat Transfer Data for Establishing Design Criteria .....March 121
Unusual Air Conditioning System Meets Exacting Tolerances, by C. F. Mowrey .....May 130
Unusual Air Conditioning System Meets Exacting Tolerances, May, 1958, and Package Units Aid Central Plant; Condition 190,000 Sq Ft Offices, November, 1957, by C. F. Mowrey—discussion on by C. F. Mowrey .....June 89
What Can Be Done to Combat Failures in Nuclear Piping? by V. T. Malcolm and Sidney Low .....June 112
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim .....January 160
What to Consider, When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim, January 1958—discussion on by L. E. Partch .....February 68
What to Consider When Designing, Fabricating Pressure Piping, by J. J. Murphy, C. R. Soderberg, Jr., H. S. Blumberg, and D. B. Rossheim .....February 87
What to Consider When Designing Piping for Nuclear Processes, by W. R. Dunbar, W. K. Luckow, and J. L. Shapiro .....August 107
What Does Gas Air Conditioning Cost? Absorption System and Steam Turbine Driven Compressor System, by H. Campbell Stuckeman .....December 109
What Are Limits of Slot Exhaust? . . . It's Volume of Air Exhausted—Not High Velocity—That Really Counts, by A. B. Epple .....December 120
When Planning a Maintenance Pipe Welding Job, by Ray M. Kolb ..May 122
Why Is High Temperature Hot Water Used Directly in Cooling Tower? by W. F. Chinery .....June 89

INSTITUTIONAL & PUBLIC BUILDINGS

Churches

Church Air Conditioning Needs Can Be Met in Many Ways, by David C. Briggs and W. R. Woolrich .....February 80
Duct System Built into Arches to Air Condition New Church .....March 131
Underbidding Bears Bitter Fruit, by William Hurd Hillyer .....August 126

Hospitals

Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm .....June 115
Design New Hospital Heating, Air Conditioning for Expansion, by William Sturm, June, 1958—discussion on by John Holbrook .....October 63
Design New Hospital Heating, Air Conditioning For Expansion, by William Sturm, June, 1958—Author Replies to Comments by John Holbrook, October, 1958 .....December 80
Hospital Air Conditioning Grows to Highest Level .....March 138
Hospital's Air Conditioning Maintenance Program Guarantees Optimum Operation, by Daniel M. Roop .....September 117
Operating Records of 20 Hospitals Show Why Insulation Is a Rich Investment in Comfort, Economy, by Charles F. Neergaard, June, 1957—discussion on by Charles F. Neergaard .....January 141
Two-Zone Steam and Hot Water Systems Heat 225-Bed Hospital, by Edward J. Flahie .....March 136

Schools

Big Building Air Conditioning Demands Modern Control for Varied Temperature, Humidity Needs, by John E. Haines .....May 147
Combination of Several Systems Solves School's Heating Riddle, by John G. Skidmore .....September 134
Electric Heater-Ventilator Cut Cost of School, by Thomas A. McConnaughey, December 1955 and Heat Schools Electrically, by Robert Lee Boyd, December 1956—discussion on by J. H. Elliott .....February 67
Lack of Bond Costly to Contractor, by William Hurd Hillyer .....May 154
Lack of Design Precedent Made This Heating, Ventilating Job a Tough One, by Chester E. McCallum .....November 120
Unusual "Package" Job Cools Miami Classrooms .....August 73
Use Electricity or Oil To Heat This School? . . . Here Are Actual Cost Comparisons, by Denard L. Gusler .....October 78

Other Institutional & Public Buildings

Air Conditioning Keeps Radar Stations Cool .....May 146
Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957—discussion on by William F. Ryan .....March 98
Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957—Authors Reply to Comments by William F. Ryan, March, 1958 .....March 98
Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957—discussion on by Thomas H. Urdahl .....March 98
Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957—Authors Reply to Comments by Thomas H. Urdahl, March, 1958 .....March 98
Condition Court Building Three Ways, by James M. Purdy .....June 128
Condition Jail for Health, Security .....July 85
Designing Fume Hoods for Medium Level Radioactive Conditions, by John M. Ruddy .....March 128
Gas Generated Steam Cools Houston Engineers' Building .....October 98
Greedy Contractor's Ill-founded Claims Save Piping Subcontractor's Shirt, by William Hurd Hillyer .....December 119
Lack of Design Precedent Made This Heating, Ventilating Job a Tough One, by Chester E. McCallum .....November 120
Miles of Steel Piping Maintain Ice At Air Temperatures to 55 F in one of the largest outdoor ice skating rinks in the U. S., by Louis L. Hamig .....March 116
Plastic Piping Serves Portable Ice Rink .....February 83
Prison's Heating, Ventilating Systems Meet Maximum Security Needs, by John H. Ross .....June 110

Prison's Heating, Ventilating Systems Meet Maximum Security Needs, June, 1958, by John H. Ross—discussion on by Lester S. Ries ..... August 80

Prison's Heating, Ventilating Systems Meet Maximum Security Needs, by John H. Ross, June, 1958—Author Replies to Comments by Lester S. Ries, August, 1958 ..... December 80

Revise Steam Lines, Improve Metering To Keep Abreast of Heating Needs, by C. M. Holden and Norman Goodwin ..... May 119

Revise Steam Lines, Improve Metering to Keep Abreast of Heating Needs, by C. M. Holden and Norman Goodwin, Jr., May, 1958—discussion on by Lester S. Ries ..... August 77

Safety Takes Top Priority in Heating, Cooling Atom Lab, by W. O. Miller ..... February 100

Steam Produced From Incinerator Gases With Variable Speed Draft Inducer ..... September 139

"Transverse" Tunnel Ventilation Assures Uniform Air Distribution, by H. G. Cruthers ..... July 79

"Transverse" Tunnel Ventilation Assures Uniform Air Distribution, by H. G. Cruthers, July, 1958—discussion on by A. C. Willard ..... August 77

Twin Units Heat, Cool Planetarium at Butler University ..... June 127

TRANSPORTATION

Air Conditioning Cools Nautilus at North Pole ..... May 141

Automobile Gas Exhaust Related to Type of Fuel ..... June 103

Jets' Conditioners Made in Air Conditioned "Lab" to Meet Precision Requirements ..... June 129

"Transverse" Tunnel Ventilation Assures Uniform Air Distribution, by H. G. Cruthers ..... July 79

"Transverse" Tunnel Ventilation Assures Uniform Air Distribution, by H. G. Cruthers, July, 1958—discussion on by A. C. Willard ..... August 77

Smith, Lewis—Modernization is Answer to Hotel's Heating, Cooling Problems ..... February 94
Smith, Lewis—Sheet Metal Ducts Are Solution to Critical Stack Effect Problem in Balancing Heating for Multistory Apartment Buildings ..... June 130
Smith, Lewis—discussion on comments by Erwin L. Weber, September, 1958 on the article Sheet Metal Ducts Are Solution To Critical Stack Effect Problem In Balancing Heating for Multistory Apartment Buildings, by Lewis Smith, June, 1958 ..... November 87
Smith, Lewis—discussion on Why Steam Coils Freeze, by H. W. Alyea, April and May, 1958 ..... September 98
Smith, Ralph G.—"If we don't keep our men trained to handle the technical equipment of today, we're sunk in our efforts to train men to handle the technical marvels that are coming." ..... December 78
Soderberg, Jr., C. R., J. J. Murphy, H. S. Blumberg and D. B. Rossheim—What to Consider When Designing, Fabricating Pressure Piping ..... January 160
Soderberg, C. R., J. J. Murphy, H. S. Blumberg, and D. B. Rossheim—What to Consider When Designing, Fabricating Pressure Piping ..... February 87
Spencer, E.—Author Reply to Comments by R. A. Parsons, February, 1958 on Hot Water Booster Heaters: What Every User Should Know ..... February 68
Stamper, Eugene—discussion on See HTHW Terminology Redundant; Also, Why Call Equipment "Boilers?", by Erik B. J. Roos, April, 1958 ..... June 90
Stearn, M. F., and Robert Masamitsu—Fan-Coil System Completes Cooling Of Existing Office Building ..... July 76
Stephens, Clifford S.—discussion on What Causes Soot Problem in High Pressure Air Conditioning? September, 1957 ..... January 141
Sterne, C. M.—discussion on Cooling Towers, Cold Water Piping Serve Process Cooling Applications, by James C. Bishop, April, 1958 May 107
Stevens, Robley D., and Earl W. Mounce—Do You Know Enough About Contracts? ..... January 170
Stevens, T. Robert—How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation ..... April 112
Stevens, T. Robert—How to Prevent Unbalance in Hot Water Heating by Careful Design, Proper Installation ..... May 138
Stevens, T. Robert—How to Prevent Unbalance In Hot Water Heating by Careful Design, Proper Installation ..... June 119
Streeter, Bert—Thermal Shock to Hot Water Boilers: Its Causes, Cures ..... January 168
Stuckeman, H. Campbell—What Does Gas Air Conditioning Cost? Absorption System and Steam Turbine Driven Compressor System December 109
Sturm, William—Design New Hospital Heating, Air Conditioning for Expansion ..... June 115
Sturm, William—Author Replies to Comments by John Holbrook, October, 1958, on Design New Hospital Heating, Air Conditioning For Expansion, by William Sturm, June, 1958 ..... December 80
Tanner, E. B. T.—discussion on Terminology for High Temperature Hot Water, by Erik B. J. Roos, April, 1958 and E. G. Hansen, July, 1958 ..... October 64
Thielsch, Helmut—Pipe Welding Terms Defined ..... November 133
Thielsch, Helmut—Pipe Welding Terms Defined ..... December 123
Turecamo, Vincent J.—Sizing Ducts By Equal Friction Method January 179
Turner, J. W.—discussion on How to Size Condensate Receivers for Gravity Return Systems, by Tom E. Krieg, June, 1958 ..... November 87
Turney, L. J.—PVC Piping Proves Maintenance-Free in Pickle Plant Operation—After Four Years' Uninterrupted Service ..... July 88
Urdahl, Thomas H.—discussion on Army Vies With Nature to Heat Arctic Air Base, by Nelson E. Pearsall and Wallace O. McClune, December, 1957 ..... March 98
Urdahl, Thomas H.—discussion on How Underground Workshops Are Made Livable, by Axel Rosell, March, 1958 ..... April 86
Urdahl, Thomas H.—Success of Underground Structures Depends on Air Conditioning ..... April 108
Vonderheide, John—GE's 'Mill Water' Piping Saves $500,000 a Year ..... December 94
Voorhees, Guy A.—discussion on How to Find Equivalent Lengths of Elbows in Rectangular Ducts, by Julian T. Eubanks, December, 1957 ..... March 97
Wadzeck, G. B.—Quote "Observe the turtle—he only progresses when his neck is out." ..... March 92
Walker, Dr. Eric A.—Quote—To keep abreast of scientifically trained personnel, engineering education should be reconstructed to provide:
1) Two-year technical institute to train men for installation and testing;
2) Regular four year program for those in design and engineering positions;
3) Seven-year doctoral program to prepare those capable of becoming inventors and basic research executives. ..... November 84
Wampler, Cloud—"Air conditioning at its best is far more than just cooling or heating. It is temperature and humidity control. It is the cleaning and circulation of air. It is ventilation. Air conditioning is all of these simultaneously." ..... February 64
Wasell, Michael W.—discussion on 18 Zone Cooling Modernizes a 9 Story Hotel, August, 1957 August 77
Waters, J. F.—How to Convert Free Air Volumes To Compressed Air Equivalents ..... April 131
Waters, J. F.—How to Find Pressure Drop, Select Best Pipe Size for Compressed Air Piping ..... February 105
Way, M. T.—discussion on E. G. Hansen's comments, July, 1958, pertaining to Terminology of High Temperature, Hot Water November 87
Wayne, H. B.—Here Are More Ways to Build Reliable, Efficient Library ..... December 84
Wayne, H. B.—How Many Manhours Required For HPAC Installation Work?—Personnel, Work Area, Accessibility Govern Installation Manhour Output ..... March 100
Wayne, H. B.—How Do Wind Loads Affect Stability of Pipe Supports?—Wind Conditions Are Design Bases For Supports' Structural Components ..... June 92
Wayne, H. B.—Should Air Be Recirculated After Cooling Electric Office Machines?—Evaluate Total Operating Expense and Make Decision Accordingly ..... September 106
Wayne, H. B.—What Causes Oily Soot Problem in High Velocity Air Conditioning?—Ducts May Have Small Perforation Permitting Entrance of Oily Air ..... April 92
Wayne, H. B.—What Vapor Transmission Rules Apply When Planning for Dehumidification?—Derive Vapor Transmission Rates for Various Conditions ..... February 70
Smith, Lewis—discussion on comments by Erwin L. Weber, September, 1958 on the article Sheet Metal Ducts Are Solution to Critical Stack Effect Problem, by Lewis Smith, June, 1958 ..... November 87
Weber, Erwin L.—discussion an Sheet Metal Ducts Are Solution to Critical Stack Effect Problem in Balancing Heating for Multistory Apartment Buildings, by Lewis Smith, June, 1958 ..... September 103
Welshman, Jr., Hugh—Steam Flow Rates For Power Piping ..... January 181
Wendel, D. E.—Should Air Be Recirculated After Cooling Electric Office Machines?—Consider Supply, Exhaust Methods for Cooling Office Machines ..... September 106
Wert, Edwin A.—Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems ..... September 130
Wert, Edwin A.—Advanced Approach Simplifies Piping Flexibility Analysis for Process and Power Piping Systems ..... October 86
Willard, A. C.—discussion on "Transverse" Tunnel Ventilation Assures Uniform Air Distribution, by H. G. Cruthers, July, 1958 ..... August 77
Wilson, M. J.—How to Select Right Air Conditioning System for Multistory Building ..... August 103
Wilson, M. J.—How to Select Right Air Conditioning System for Multi-Story Building ..... October 90
Wilson, M. J.—How to Select Right Air Conditioning System for Multi-Story Building ..... November 116
Winchester, E. W.—Air Conditioning: Hidden Tool in Modern Aircraft Design ..... March 110
Winchester, E. W.—Ingenious Construction Scheme Hoists Steam Lines Skyward ..... January 153
Woolrich, W. R., and David C. Briggs—Church Air Conditioning Needs Can Be Met in Many Ways ..... February 80
Yondt, Sheridan A., and Joseph R. Campbell—Freezing Air Heats Northern Lab ..... August 89
Young, W. G.—Panel Heating, Cooling System Stimulates Variety of Load Conditions for testing electric, electronic control performance ..... August 115
Young, W. G.—What to Look For in a Valve for Hot Water Heating Control ..... November 130

JOURNAL of the AMERICAN SOCIETY OF HEATING AND AIR-CONDITIONING ENGINEERS

GUIDE 1958, THE ASHAE, March 152

H

Haines on *EJC* Joint Committee, July 139
Hanford, Atomic Recovery for Space-Heating at, by S. L. Nelson, June .. 161
Harriet Babcock Leaves ASHAE Staff, May 190
Haynes, C. V., Oldest Past President Is Energetic at 92, December 155
Hearty Philadelphia Welcome Awaits Opening of 65th Annual Meeting, December 151
Heat and Mass Transfer Problem, Glaciers and Climate—Nature's, by P. A. Schoeck, May 185
Heat Gain through Windows Shaded by Canvas Awnings, by Necati Ozisik and L. F. Schutrum, May 159
Heat Gain through Windows Shaded by Metal Awnings, by Necati Ozisik and L. F. Schutrum, July 121
Heath Director of Associated Industries, November 170
Heating & Air Conditioning a Civilian Airport, by Charles Broder, March 147
Heating and Air Conditioning, Economics of School, by Z. A. Marsh, April 157
Heating and Ventilation in Relation to Human Comfort, Research on, by Thomas Bedford, December 127
Heating, Annual Energy Use for Electric Space, by R. L. Boyd, July 113
Heating by Hypocaust, by E. D. Thatcher, June 153
Heating, Cooling, Distillation and Drying, Solar Energy Utilization for, June 147
Heating Equipment, Pulsations in Single-Port Gas-Fired Residential, by C. F. Speich and A. A. Putnam, November 139
Heat Pump Standard Available, March 166
Heating, Supply Outlet Locations for Basement, by J. R. Wright and D. R. Bahnfleth, August 137
Heat Pump Prospects, December 159
Heat Transfer, March 160
Heat Transfer on a Cylinder Surface in Humid Air Cross Flow, Frost Formation and: Part I—Experimental Study, by P. M. Chung and A. B. Algren, September 171
Heat Transfer on a Cylinder Surface in Humid Air Cross Flow, Frost Formation and: Part II—Theoretical Study and Conclusions, by P. M. Chung and A. B. Algren, October .. 115
Heat Transfer through a Joist Space, Downward, by P. M. Chung and C. E. Lund, December 135
Hedges, H. B., Honored by Life Membership, February 143
Hedley, P. S., Honored by Life Membership, November 166
Heilman, Award to, August 165
Heilman, R. H., Honored by Life Membership, November 166

Helander, Linn, First Life Members' Award to, April 167
Herndon Joins Evansville Faculty, November 170
Hershey, C. B., State Board Problems—Financing and Others, April 152
Hess, Arthur J., Biography, October .. 138
Hess Heads Western Association, February 128
High-Temperature Water, Economic Evaluation of, by E. M. Thompson, April 140
High-Temperature Water, Marine Application of, by S. W. Brown, March 161
High-Temperature Water Systems for Military Installations, Design of, by C. A. Carter and B. L. Sturdevant, February 109
Hilburg, E. L., Obituary, April 170
Hinrichsen, A. F., Honored by Life Membership, November 167
Historic Philadelphia Is Site for Annual Meeting in January, October .. 135
Hodge, E. C., Obituary, March 183
Holladay, W. L., Local Climatic Weather Data, January 201
Holmes Opens Consulting Office, August 165
Honors and Awards (64th Annual Meeting, Pittsburgh), April 164
Houses Without Basements, August .. 157
How Research Can Improve Performance of Fibrous and Reflective Insulation, by William Turbeville, July 126
Human Comfort and Environment, Research on, by B. H. Jennings, October 111
Human Comfort, Research on Heating and Ventilation in Relation to, by Thomas Bedford, December 127
Humid Air Cross Flow, Frost Formation and Heat Transfer on a Cylinder Surface in: Part I—Experimental Study, by P. M. Chung and A. B. Algren, September 171
Humid Air Cross Flow, Frost Formation and Heat Transfer on a Cylinder Surface in: Part II—Theoretical Study and Conclusions, by P. M. Chung and A. B. Algren, October .. 115
Hunter Made *ASME* Fellow, July 140
Hutcheon, N. B., Vapor Problems in Thermal Insulation, August 150
HV & AC Design Practice for Schools, by Henry Wright, February 137
Hypocaust, Heating by, by E. D. Thatcher, June 153

I

Insulation, Vapor Problems in Thermal, by N. B. Hutcheon, August .. 150
Insulations, Block and Pipe, by R. B. Crepps, September 161
International Congress Meets in Brussels, October 142
International Institute of Refrigeration Meeting, December 156
Irritants from Polluted Air, Evaluation of Filters for Removing, by N. A. Richardson and W. C. Middleton, November 147
Improving Attic Space Insulating Values, by F. A. Joy, January 223
Incorporation of *EJC*, June 170
Industrial Ventilation Conference, February 114
Ingels, Margaret, Honored by Life Membership, May 191
Installation of New Officers and Council Members, March 179
Insulating Values, Improving Attic Space, by F. A. Joy, January 223
Insulation, How Research Can Improve Performance of Fibrous and Reflective, by William Turbeville, July 126
Insulation, Surfacings for Glass Fiber and Foam Thermal, by W. P. Ellis, July 136

J

Jennings, B. H., Elected as Fellow, December 154
Jennings, B. H., and H. A. Lockhart, 1957 Annual Report of Committee on Research, January 215
Jennings, B. H., Research on Human Comfort and Environment, October 111
Jennings, B. H. (Research Page), ASHAE Technical Advisory Committees, April 142
Joint Committee on Equipment Sound Testing Meets, September 178
Joint Press Release on Proposed ASHAE-*ASRE* Merger, March 179
Joint Sessions and Functions Highlight Minneapolis Meeting, ASHAE-*ASRE*, August 158
Joint Statement on Proposed Merger, August 163
Joist Space, Downward Heat Transfer through a, by P. M. Chung & C. E. Lund, December 135
Jordan, R. C., Biography, October 141
Jordan, R. C., Elected as Fellow, December 154
Jordan, R. C., and J. C. Annis, K. T. Whitby, A. B. Algren, Evaluation of Air Cleaners For Air Conditioning and Ventilation, Part I—Apparatus, May 171
JOURNAL'S New Dress, The, by P. B. Gordon, (President's Message), January 200
Joy, F. A., Improving Attic Space Insulating Values, January 223
Joyce, J. J., Obituary, November 171
June Council Meeting, September 179

K

Kayan Honorary Chairman at Automation Exhibit, February 128
Keegan, P. J., Obituary, October 144
Keilbaugh, W. A., and F. J. Pocock, Corrosion Inhibition on Tubes in Low-Pressure Steel Boilers, February 129
Kelble, F. R., Honored by Life Membership, June 167
Kemp, J. F., Omni-Directional Low-Speed Hot-Wire Anemometer, July 117
Kimball, D. D., Obituary, March 183
Knecht, A. W., III, Obituary, October 144
Koch Joins Laboratory Staff, September 180
Koestel, Alfred, J. J. Reinmann and G. L. Tuve, Evaluation of Three Room Air Distribution Systems for Summer Cooling, December 141
Koper, C. H., Obituary, May 193

L

Lawrie, W. E., and G. J. Sanders, Low Frequency Combustion Noise in Oil-Burning Equipment, October 127
Lewis, D. H., Obituary, March 183
Life Members' Award to Linn Helander, First, April 167
Life Membership, Honored by David Caleb, H. B. Hedges, R. D. Madison, P. H. Schoepflin, February 143
J. J. Aeberly, H. E. Barth, W. A. Bornemann, Albert Buenger, Russell Donnelly, E. E. Dubry, Margaret Ingels, G. M. Maier, E. N. McDonnell, H. E. Paetz, Morris Sheffler, May 190
F. R. Kelble, W. C. Randall, Philip Rosenberg, Rutcher Skagerberg, June 167
W. M. Heebner, July 140
N. D. Adams, Lucien Buck, P. S. Hedley, R. H. Heilman, A. F. Hinrichsen, W. L. Lynch, E. L. Weber and R. F. Winterbottom, November 166
Local Climatic Weather Data, by W. L. Holladay, January 201
Locations for Basement Heating, Supply Outlet, by J. R. Wright and D. R. Bahnfleth, August 137
Lock, R. H., Obituary, September 181
Locke Heads Micro Switch, September 180
Lockhart, H. A., Biography, October .. 140
Lockhart, H. A., and B. H. Jennings, 1957 Annual Report of Committee on Research, January 215
Locklin Joins Battelle Staff, July 139
Long Island Chartered, New Chapter on, January 234
Looking into the Future, by E. G. Good, Jr., May 179
Low Frequency Combustion Noise in Oil-Burning Equipment, by G. J. Sanders and W. E. Lawrie, October 127
Low-Pressure Steel Boilers, Corrosion Inhibition on Tubes in, by W. A. Keilbaugh and F. J. Pocock, February 129
Luck, A. W., Oldest Member Writes of His Career: A Look into the Past, November 168
Luminaire, A Water-Cooled, in a Panel-Air System, by W. F. Spiegel, June 139
Lund, C. E. and P. M. Chung, Downward Heat Transfer through a Joist Space, December 135
Lyman, S. E., Obituary, April 170
Lynch, W. L., Honored by Life Membership, November 167

M

Madison, R. D. and J. B. Graham, Noise Variation with Changing Fan Operation, January 207
Madison, R. D., Honored by Life Membership, February 143
Maier, G. M., Honored by Life Membership, May 191
Marine Application of High-Temperature Water, by S. W. Brown, March 161
Marsh, Z. A., Economics of School Heating and Air Conditioning, April 157
Martin, A. B., Obituary, December 161
Materials, Probe for Thermal Conductivity Measurements of Dry and Moist, by W. Woodside, September 163
Matousek, A. G., Obituary, February 145
Matthews, C. R., Obituary, June 173
Matzkin Made Contract Administrator, March 160
McCandless, H. F., Obituary, December 161
McDonnell, E. N., Honored by Life Membership, May 192
McGruer, A. E., Obituary, June 173
Measurement of Dry and Moist Materials, Probe for Thermal Conductivity, by W. Woodside, September 163
Meetings of Technical Advisory Committees at Minneapolis, September .. 179
Members of Council, Society Nominations for 1959, October 139
Merger, Joint Statement on Proposed, August 163
Metal Awnings, Heat Gain through Windows Shaded by, by Necati Ozisik and L. F. Schutrum, July 121
Method of Choosing Location of, Financing and Conducting Meetings of the Society, January 230
June 167
Middleton, W. C. and N. A. Richardson, Evaluation of Filters for Removing Irritants from Polluted Air, November 147

Mills Goes to Memphis, March 151
Min, T. C.,- Winter Infiltration through Swinging-Door Entrances in Multi-Story Buildings, February 121
Minneapolis Meeting, ASHAE-*ASRE* Joint Sessions and Functions Highlight, August 158
Minnesota Chapter Committee on Arrangements, May 184
Moist Materials, Probe for Thermal Conductivity Measurement of Dry and, by W. Woodside, September .. 163
Morehouse, H. P., Obituary, July 147
Morgan, F. X., Obituary, August 165
Myers, G. W. F., Biography, October 140

N

Nelles, Maurice, Biography, October .. 141
Nelson, L. K., Obituary, March 183
Nelson, S. L., Atomic Recovery for Space-Heating at Hanford, June 161
Neubauer, L. W. and R. D. Cramer, Solar Radiant Gains through Directional Glass Exposure, November .. 155
New Chapter Chartered at San Diego, Calif., December 157
New Chapter on Long Island Chartered, Activities of Society Chapters, January 234
New Secretary for *ASME*, February .. 135
News, Notes and Comments concerning Society Research, December 150
Niemeyer, J. C., Obituary, March 183
1958 Graduate Engineers Placement Survey, October 126
1957 Annual Report of Committee on Research, H. A. Lockhart and B. H. Jennings, January 215
Noise in Oil-Burning Equipment, Low Frequency Combustion, by G. J. Sanders and W. E. Lawrie, October 127
Noise Variation with Changing Fan Operation, Fan, by R. D. Madison and J. B. Graham, January 207
Nominating Committee, July 148
Nominations for Honorary Members and Fellows, Committee Invites, June 171
Nominations for 1959, Society, October 137
Norton, E. H., Obituary, April 170
Norton, J. A., Obituary, November 171
Notice of Semi-Annual Meeting 1958, June 166
Notice to ASHAE Members of 64th Annual Meeting 1958, January 229
Nottage, H. B., Biography, October 141
Nuclear Congress Attracts Large Attendance, June 166
Nuclear Systems, Thermal Insulation for, by C. G. Collins and G. W. Pomeroy, August 129
Nunlist is Worthington Corp. Vice President, June 170
Nussbaum, O. J., Air-Cooled Condensers, September 155

O

Obituaries
A. C. Buensod, January 237
William Allen, T. E. Crone, A. G. Matousek, L. C. Soule, February 145
C. E. Bronson, James Gayner, E. C. Hodge, D. D. Kimball, D. H. Lewis, L. K. Nelson, J. C. Niemeyer, March 182

R. H. Lock, E. B. Sheffield, M. G. Walters, September 181
S. Z. Burk, L. S. Gilbert, P. J. Keegan, A. W. Knecht, III, V. A. Reed, Jr., R. E. Sinclair, R. L. Spitzley, October 144
A. F. Bowers, J. E. Carey, J. J. Joyce, J. A. Norton, November .. 171
H. L. Alt, R. P. Babcock, R. P. Bon, A. B. Martin, H. F. McCandless, December 161
Officers, Society Nominations for 1959, October 138
Offner's Enjoy 'Round the World Trip,' November 170
Oil-Burning Equipment, Low Frequency Combustion Noise in, by G. J. Sanders and W. E. Lawrie, October 127
Oldest Member Writes of His Career: A Look into the Past, by A. W. Luck, November 168
Oldest Past President is Energetic at 92, (C. V. Haynes), December 155
Omni-Directional Low-Speed Hot-Wire Anemometer, by J. F. Kemp, July .. 117
Osborne Becomes Partner, March 151
Outlet Locations for Basement Heating, Supply, by J. R. Wright and D. R. Bahnfleth, August 137
Owen, Jeff Davis, Obituary, July 147
Ozisik, Necati and L. F. Schutrum, Heat Gain through Windows Shaded by Canvas Awnings, May 159
Ozisik, Necati and L. F. Schutrum, Heat Gain through Windows Shaded by Metal Awnings, July 121

P

Paetz, H. E., Honored by Life Membership, May 192
Panel-Air System, A Water-Cooled Luminaire in a, by W. F. Spiegel, June 139
Papers for 1959 Nuclear Congress, July 140
Philadelphia Host in January For Annual Meeting, Exposition, September 182
Philadelphia Welcome Awaits Opening of 65th Annual Meeting, Hearty, December 151
Philadelphians Plan an Outstanding Annual Meeting (Bellevue-Stratford Hotel, January 26-29), November .. 163
Pipe Insulations, Block and, by R. B. Crepps, September 161
Pirrie, Alexander, Obituary, July 147
Plan for More Engineering Teachers, April 139
Pocock, F. J., and W. A. Keilbaugh, Corrosion Inhibition on Tubes in Low-Pressure Steel Boilers, February 129
Polluted Air, Evaluation of Filters for Removing Irritants from, by N. A. Richardson and W. C. Middleton, November 147
Pollution and its Control, *EJC* Policy Statement on Air, May 167
Pomeroy, G. W. and C. G. Collins, Thermal Insulation for Nuclear Systems, August 129
Potter, C. W., Obituary, July 147
Powers, R. W., Obituary, June 173
Preliminary Technical Program, Semi-Annual Meeting, March 168
Premises for ASHAE-*ASRE* Merger, by E. R. Queer, (President's Message), April 134
Presidents and Secretaries of Society Chapters and Branches, April 171
May 195
September 183
October 145
President's Messages by E. R. Queer
A Membership Corporation, February 108
ASHAE-*ASRE* Merger Proposed, March 146
Christmas Greeting, December 126
Evaluation of ASHAE-*ASRE* Merger, May 158
Further Evaluation of ASHAE-*ASRE* Merger, June 138
Premises for ASHAE-*ASRE* Merger, April 134
Progress of the Merger Plan, October 110
Schedule of Events for Merger, July 112
Society Autumn Activities, November 138
Special Meeting on Merger Plan, September 154
Statement Concerning Merger, August 161
President's Message by P. B. Gordon, The JOURNAL's New Dress, January 200
Pretabulated Impedances, Cooling Load from, by Harry Buchberg, February 115
Prize-Winning Solar House, February 135
Probe for Thermal Conductivity Measurement of Dry and Moist Materials, by W. Woodside, September .. 163
Professor Yaglou To Receive 17th Anderson Award, December 149
Program
Annual Meeting (Philadelphia), November 165
Semi-Annual Meeting, May 183
June 165
65th Annual Meeting, December 152
64th Annual Meeting, Tentative, January 231
Tentative Technical, Semi-Annual Meeting, Minneapolis, Minn., April 151
Progress of the Merger Plan, by E. R. Queer, (President's Message), October 110
Progress Report on ASHAE-*ASRE* Merger, by E. R. Queer, (President's Message), August 128
Pulsations in Residential Gas Furnaces with Multiple-Port Burners, by A. A. Putnam, April 143
Pulsations in Single-Port Gas-Fired Residential Heating Equipment, by C. F. Speich and A. A. Putnam, November 139
Putnam, A. A., Pulsations in Residential Gas Furnaces with Multiple-Port Burners, April 143
Putnam, A. A. and C. F. Speich, Pulsations in Single-Port Gas-Fired Residential Heating Equipment, November 139

Q

Quarter Century Treasurer (W. M. Heebner), July 145
Queer, E. R. (President's Messages)
A Membership Corporation, February 108
ASHAE-*ASRE* Merger Proposed, March 146
Christmas Greeting, December 126
Evaluation of ASHAE-*ASRE* Merger, May 158
Further Evaluation of ASHAE-*ASRE* Merger, June 138
Premises for ASHAE-*ASRE* Merger, April 134
Progress of the Merger Plan, October 110
Schedule of Events for Merger, July 112
Society Autumn Activities, November 138

Special Meeting on Merger Plan, September 154
Statement Concerning Merger, August 161
Queer Represents Society at *EJC* Meeting, June 170

R

Radiant Exchanges, A New Method for Calculating, by Benjamin Gebhart, July 131
Radiant Gains Through Directional Glass Exposure, Solar, by R. D. Cramer and L. W. Neubauer, November 155
Radiant Heated Solar House, March .. 151
Randall, W. Clifton, Honored by Life Membership, June 167
Rebmann and Gay Reorganize, March 166
Recent Council Actions, April 139
Reed, Van A., Jr., Obituary, October 144
Reflective Insulation, How Research Can Improve Performance of Fibrous and, by William Turbeville, July 126
Region 6 Holds Special Fall Meeting, December 157
Regional Organization of Society Chapters, March 184
May 194
Reif, C. A., Obituary, July 147
Reinmann, J. J., Alfred Koestel and G. L. Tuve, Evaluation of Three Room Air Distribution Systems for Summer Cooling, December 141
Report of the Council, 1957, March .. 174
Report of The 64th Annual Meeting Concerning Technical Features and Functions, April 161
Report of Treasurer, March 175
Research, Actions of Committee on, April 160
Research and Its Technical Advisory Committees, Committee on, June 174
Research Can Improve Performance of Fibrous and Reflective Insulation, How, by William Turbeville, July .. 126
Research Executive Committee, October 126
Research Laboratory, from the, Winter Infiltration through Swinging-Door Entrances in Multi-Story Buildings, by T. C. Min, February 121
Research, News, Notes and Comments Concerning Society, December 150
Research, 1957 Annual Report of Committee on, H. A. Lockhart and B. H. Jennings, January 215
Research on Heating and Ventilation in Relation to Human Comfort, by Thomas Bedford, December 127
Research on Human Comfort and Environment, by B. H. Jennings, October 111
Residential Gas Furnaces with Multiple-Port Burners, Pulsations in, by A. A. Putnam, April 143
Residential Heating Equipment, Pulsations in Single-Port Gas-Fired, by C. F. Speich and A. A. Putnam, November 139
Richardson, N. A. and W. C. Middleton, Evaluation of Filters for Removing Irritants from Polluted Air, November 147
Ritter, Arthur, Obituary, July 147
Room Air Distribution Systems for Summer Cooling, Evaluation of Three, by J. J. Reinmann, Alfred Koestel and G. L. Tuve, December 141
Rosenberg, Philip, Honored by Life Membership, June 167

S

Safety Standard on Welding and Cutting, June 166
Sanders, G. J., and W. E. Lawrie, Low Frequency Combustion Noise in Oil-Burning Equipment, October 127
San Diego, California, New Chapter Chartered At, December 157
San Diego Group Receives Charter, (Activities of Society Chapters), November 167
Sanford Retires, (S. S. Sanford), April 139
Schedule of Events for Merger, by E. R. Queer, (President's Message) July 112
Schoeck, P. A., Glaciers and Climate —Nature's Heat and Mass Transfer Problem, May 185
Schoepflin, P. H., Honored by Life Membership, February 143
School Heating and Air Conditioning, Economics of, by Z. A. Marsh, April 157
Schools, HV & AC Design Practice for, by Henry Wright, February 137
Schutrum, L. F., and Necati Ozisik, Heat Gain through Windows Shaded by Canvas Awnings, May 159
Schutrum, L. F., and Necati Ozisik, Heat Gain Through Windows Shaded by Metal Awnings, July 121
Semi-Annual Meeting, After the Vacation in Minneapolis, June 164
Semi-Annual Meeting, City of Lakes, Parks, Boulevards, Site for June, April 150
Semi-Annual Meeting in Minneapolis, June 23-25, ASHAE, February 136
Semi-Annual Meeting 1958, Notice of, June 166
Semi-Annual Meeting Minneapolis, June 23-25, 1958, Big Plans for, March 167
Semi-Annual Meeting, Program—, June 165
Seymour, Cyril D., Obituary, April 170
Shawhan Heads Bryant, March 160
Shea, Irwin D., Obituary, July 147
Sheffield, E. B., Obituary, September 181
Sheffler, Morris, Honored by Life Membership, May 192
Sinclair, R. E., Obituary, October 144
64th Annual Meeting, Business Features at, March 173
64th Annual Meeting Concerning Technical Features and Functions, The, Report of, April 161
Skagerberg, Rutcher, Honored by Life Membership, June 167
Small House Investigation, September 178
Society Autumn Activities, by E. R. Queer, President's Message, November 138
Society Chapters and Branches, Presidents and Secretaries of, April 171
May 195
September 183
October 145
Society Control Conference Recommends Action, June 168
Society Luncheon at Heating & A-C Congress in Brussels, December ... 156
Society Members are *ARI* Officials June 168
Society Members Promoted in M-H Organization, February 135
Society Nominations for 1959, October 137
Society Research News, Notes and Comments concerning, December 150
Society Standards Representatives, August 166
Solar Energy for Residential Uses August 134
Solar Energy Utilization for Heating, Cooling, Distillation and Drying, June 147
Solar Radiant Gains through Directional Glass Exposure, by R. D. Cramer and L. W. Neubauer, November 155
Soule, Lawrence C., Obituary, February 145
Sound, *ASA* Standard on, April 160
Space, Downward Heat Transfer through a Joist, by P. M. Chung and C. E. Lund, December 135
Space Heating, Annual Energy Use for Electric, by R. L. Boyd, July 113
Space-Heating at Hanford, Atomic Recovery for, by S. L. Nelson, June 161
Special Committees, January 238
Special Committees, July 148
Special Events and Functions, April 164
Special Meeting, Notice of, (Chicago) November 146
Special Meeting on Merger Plan, by E. R. Queer (President's Message) September 154
Speich, C. F. and A. A. Putnam, Pulsations in Single-Port Gas-Fired Residential Heating Equipment, November 139
Spiegel, W. F., A Water-Cooled Luminaire in a Panel-Air System, June 139
Spitzley, Ray L., Obituary, October 144
Spurlock, B. H., Jr., Elected as Fellow, December 155
Stammer, Edward L., Obituary, June 173
Standards Committee, Its Subcommittees and Representatives, The, August 166
State Board Problems—Financing and Others, by Clayton B. Hershey, April 152
Statement Concerning Merger, (President's Message) by E. R. Queer, August 161
Steel Boilers, Corrosion Inhibition on Tubes in Low-Pressure, by W. A. Keilbaugh and F. J. Pocock, February 129
Stover, R. S., Biography, Society Nominations for 1959, October 140
Sturdevant, B. L., and C. A. Carter, Design of High-Temperature Water Systems for Military Installations, February 109
Summer Cooling, Evaluation of Three Room Air Distribution Systems for, by J. J. Reinmann, Alfred Koestel, and G. L. Tuve, December 141
Supply Outlet Locations for Basement Heating, by J. R. Wright and D. R. Bahnfleth, August 137
Surface in Humid Air Cross Flow, Frost Formation and Heat Transfer on a Cylinder: Part I—Experimental Study, by P. M. Chung and A. B. Algren, September 171
Surface in Humid Air Cross Flow, Frost Formation and Heat Transfer on a Cylinder: Part II—Theoretical Study and Conclusions, by P. M. Chung and A. B. Algren, October 115
Surfacings for Glass Fiber and Foam Thermal Insulation, by W. P. Ellis, July 136

T

TAC on Air Cleaning, (Meetings of Technical Advisory Committees at Minneapolis), September 179
TAC on Combustion, (Meetings of Technical Advisory Committees at Minneapolis), September 179
TAC on Hot Water and Steam Heating, (Meetings of Technical Advisory Committees at Minneapolis), September 179
TAC on Insulation, (Meetings of Technical Advisory Committees at Minneapolis), September 179
TAC on Insulation Meets, June 166
TAC on Physiological Research and Human Comfort, November 170

TAC on Sorption, (Meetings of Technical Advisory Committees at Minneapolis), September 180
Thermal Insulation, Surfacings for Glass Fiber and Foam, by W. P. Ellis, July 136
Teachers, Plan for More Engineering, April 139
Technical Advisory Committee Events, April 168
Technical Advisory Committee Meetings in Pittsburgh, May 170
Technical Advisory Committee on Control Appointed, December 160
Technical Advisory Committees, Committee on Research and Its, June 174
Technical Features and Functions, Report of The 64th Annual Meeting Concerning, April 161
10th Refrigeration Industry Show Breaks Record, February 114
Text on Summer Air Conditioning, December 148
Thatcher, E. D., Heating by Hypocaust, June 153
Theorectical Study and Conclusions, Part II; Frost Formation and Heat Transfer on a Cylinder Surface in Humid Air Cross Flow, by P. M. Chung and A. B. Algren, October 115
Thermal Conductivity Measurement of Dry and Moist Materials, Probe for, by W. Woodside, September 163
Thermal Insulation for Nuclear Systems, by C. G. Collins and G. W. Pomeroy, August 129
Thermal Insulation, Vapor Problems in, by N. B. Hutcheon, August 150
The Standards Committee, Its Subcommittees and Representatives, December 162
Thompson, E. M., Economic Evaluation of High-Temperature Water, April 140
Thornburg, H. A., Obituary, April 170
Thulman, R. K., Obituary, April 170
Toledo Chapter Awarded Window Plaque, May 188
Tower Design and Performance, by John Engalitcheff, Jr., August 145
Transactions of Solar Energy Conference, October 142
Transfer on a Cylinder Surface in Humid Air Cross Flow, Frost Formation and Heat: Part I—Experimental Study, by P. M. Chung and A. B. Algren, September 171
Transfer on a Cylinder Surface in Humid Air Cross Flow, Frost Formation and Heat: Part II—Theoretical Study and Conclusions, by P. M. Chung and A. B. Algren, October 115
Turbeville, William, How Research Can Improve Performance of Fibrous and Reflective Insulation, July 126
Tuve, G. L., J. J. Reinmann and Alfred Koestel, Evaluation of Three Room Air Distribution Systems for Summer Cooling, December 141
Tuve, G. L., recipient of F. Paul Anderson Award, April 164
Twin Meetings in Twin Cities, ASHAE-*ASRE* Advance Plans for, May 182
Two Sectional Societies Join *EJC*, February 114

U

Urdahl Speaks Before British Society, February 128

V

Vapor Problems in Thermal Insulation, by N. B. Hutcheon, August 150
Ventilation, Evaluation of Air Cleaners for Air Conditioning and, Part I —Apparatus, by K. T. Whitby, A. B. Algren, R. C. Jordan and J. C. Annis, May 171
Ventilation in Relation to Human Comfort, Research on Heating and, by Thomas Bedford, December 127

W

Wadzeck, G. B., Educator's View of Need for Good Classroom Environment, April 135
Wallace Made American Standard SM at Salt Lake, February 135
Walters, M. G., Obituary, September 181
Water—A Raw Material of Industry, October 122
Water-Cooled Luminaire in a Panel-Air System, A, by W. F. Spiegel, June 139
Water, Economic Evaluation of High-Temperature, by E. M. Thompson, April 140
Water Systems for Military Installations, Design of High-Temperature, by C. A. Carter and B. L. Sturdevant, February 109
Weather Data, Local Climatic, by W. L. Holladay, January 201
Weber, Erwin L., Honored by Life Membership, November 167
Webster on Board of *Better Heating-Cooling* Council, February 128
Whitby, K. T., A. B. Algren, R. C. Jordan and J. C. Annis, Evaluation of Air Cleaners for Air Conditioning and Ventilation, Part I—Apparatus, May 171
Whittington, Dick W., Obituary, April 170
Wile, D. D., Evaporative Condensers, August 153
Williams and Spangler Promoted at National-U. S., February 135
Williams, H. O., Obituary, June 173
Windows Shaded by Canvas Awnings, Heat Gain Through, by Necati Ozisik and L. F. Schutrum, May 159
Windows Shaded by Metal Awnings, Heat Gain Through, by Necati Ozisik and L. F. Schutrum, July 121
Winter Infiltration through Swinging-Doors Entrances in Multi-Story Buildings, by T. C. Min, February 121
Winterbottom, R. F., Honored by Life Membership, November 167
Wolf, J. L., Economic Evaluation of Condensing Methods, August 135
Woodside, W., Probe for Thermal Conductivity Measurement of Dry and Moist Materials, September 163
Wright, Henry, HV & AC Design Practice for Schools, February 137
Wright, J. R. and D. R. Bahnfleth, Supply Outlet Locations for Basement Heating, August 137

Y

Yaglou To Receive 17th Anderson Award, Professor, December 149
Yellott opens Consulting Office, September 180
Yeomans, P. H., Biography, Society Nominations for 1959, October 141
